Provided, that any such contract shall be made in writing, the draft thereof approved by the city council and the same ordered to be, and be signed on behalf of the city by the mayor, or some other person authorized thereto by resolution, and *provided, further*, that the approval, as to form, of such contract by the city attorney, as required by Section 49 of this charter, shall be endorsed on the draft thereof before the council shall have power to approve the same; but the council may by resolution authorize any officer, committee, or agent of the city to bind the city for the payment of a sum of money not exceeding \$500 without a contract in writing, and without any previous publication of notice inviting proposals.

That section two hundred and thirty-four of the charter be amended to read as follows:

Section 234. All applicants for office, places or employments in said classified civil service, shall be subject to examination, which shall be public, competitive and free to all citizens of the United States, with specified limitations as to residence, age, sex, health, habits, and moral character. Such examinations shall be practical in their

character, and shall relate to those matters which will fairly test the relative capacity of the persons examined to discharge the duties of the position to which they seek to be appointed, and, when appropriate, shall include, or exclusively consist of, tests of physical qualifications, health, and manual skill. No question in any examination shall relate to political or religious opinions or affiliations. The commission shall control all examinations, and may, when an examination is to take place, obtain the assistance of a suitable person or number of persons to aid it in preparing for and conducting such examinations.

That section two hundred and thirty-five be amended to read as follows:

Section 235. Notice of time, place, and general scope of every examination shall be given by the commission by publication for two weeks preceding such examination in the official paper, and such notice shall also be posted by said commission in a conspicuous place at the city hall, and in its office, two weeks before such examination. Such further notice of examination shall be given as it may prescribe. *Provided*, that for registration in the class of unskilled laborers medical or physical examinations may be made or held from day to day as applicants present themselves, and without previous notice.

That section two hundred and thirty-six of the charter be amended to read as follows:

Section 236. From the examinations made by the commission it shall prepare a register, in each grade or class of position in the classified civil service, other than that of unskilled laborers employed by the day, of the persons whose general average standing upon examination for such grade or class is not less than the minimum fixed by the rules of said commission, and who are otherwise eligible, and such persons shall take rank upon the register as candidates in order of their relative excellence as determined by their examinations without reference to priority of the date of examination.

The commission shall also keep a register upon which shall be entered, in the order of their application, the names of all who apply for employment in the class of unskilled laborers, and who, after such medical or physical examination as the board may prescribe, are found to be capable of performing in a satisfactory manner the duties of the occupations sought. In case any registered applicant in said class of unskilled laborers shall be employed and subsequently laid off or dismissed through lack of work, or through no fault of his own, that fact shall be forthwith certified to the board of civil service commissioners by the head of the department in which such laborer was employed, and he shall be restored to his original place upon the register.

That section two hundred and thirty-eight be amended to read as follows:

Section 238. The head of a department in which a position in the class of unskilled laborers employed by the day is to be filled shall notify said commission of that fact, and said commission shall thereupon certify to such officer or board the name and address of the applicant standing first in order on the register of unskilled laborers, and the applicant thus certified shall thereupon be employed by such officer or board. The head of a department in which a position, classified under this article, except a position in the class of unskilled laborers, is to be filled, shall notify said commission of that fact, and said commission shall certify to such officer the name and address of one or more candidates, not exceeding three, standing highest on the register for the class or grade to which said position belongs. In making such certification, sex shall be disregarded, except when some statute, the rules of said commission, or the appointing powers specify sex. Said appointing officer or department shall notify said commission of each position to be filled separately, and shall fill such place from the names certified to him or it by said commission therefor. The candidate thus appointed shall be employed on probation for a period to be fixed by said rules, not exceeding six months. Each candidate, unless he shall be sooner appointed or otherwise lawfully cease to be a candidate, shall be certified for appointment in the grade or class for which he is eligible not less than three times, and no candidate shall lose his place on the register by certification or rejection, except that said commission may strike off names of candidates from the register after they have remained thereon more than two years. At or before the expiration of the period of probation, the head of the department or office in which the candidate is employed, may discharge him upon assigning in writing the reasons therefor to said commission. If he is not thus discharged during the period of probation, his appointment shall be deemed complete. To prevent the stoppage of public business, or to meet extraordinary exigencies, the head of any department, or any officer or board may, under such regulations as the commission may by its rules prescribe, make temporary appointments in the classified civil service, to remain in force not exceeding sixty days, and only until regular appointment, under the provisions of this article, can be made.

In case by such ordinance all the duties of an officer of the city are devolved upon an officer of the county, then upon the taking effect of such ordinance such city office shall cease to exist while such ordinance remains in force, but shall be revived by the repeal of such ordinance; and if by such ordinance only a part of the duties of an office are so devolved, then the remaining duties thereof shall be performed by such officer as may be designated for that purpose by such ordinance, and the office shall cease to exist while such ordinance remains in effect, but shall be revived by the repeal of such ordinance. As to all duties so performed by any county officer, he shall be ex-officio an officer of the City of Los Angeles. Such grant and any contract in pursuance thereof shall provide that at the option of the city, declared not more than three (3) years nor less than six months before the termination of such grant, the plant and property, if any, belonging to or used by the grantee, or his or its successors in interest, in the streets, avenues and other public places shall, at the termination of said grant, upon the payment of a fair valuation thereof, be and become the property of the city; but the grantee shall be entitled to no payment because of any valuation derived from the franchise. *Provided, however*, that such option shall not be exercised unless at the time of exercising the same the city shall be authorized and empowered to acquire and operate such plant and property. Section 148. All contracts for the performance or furnishing of labor, services, materials, or supplies required for the execution of any work or service of which the

board of public works has charge, superintendence or control, except public work or improvement the cost and expenses of which are to be paid by assessment upon property in proportion to frontage or benefits, shall be let and entered into in behalf of the city by the board of public works in the following manner. Every such contract shall first be authorized by resolution passed by a vote of two-thirds of the members of the whole council. The board shall, except in cases of urgent necessity, as hereinafter provided, within five days after the passage of the resolution authorizing such contract, cause a notice to be posted conspicuously in its office and published once in a newspaper of general circulation printed and published in the City of Los Angeles, inviting sealed bids for the performance of the work or service or the furnishing of the materials or supplies contemplated. Such notice shall require the bids to be filed with the board at or before a certain hour of a day not less than five days subsequent to the date of the posting and advertising of said notice, and said notice shall contain a general description of the work or service to be done and of the materials or supplies to be furnished, the time within which the work or delivery is to be commenced and when to be completed, and the amount of the bond to be given for the faithful performance of the contract, and shall refer to plans and specifications on file in the office of the board for full details and description of said work, service, materials or supplies.

On the day and at the hour specified in the notice inviting bids the board shall meet and in open session examine and publicly declare the bids received, and shall thereupon, or at such other time as the board may then fix, award the contract to the lowest regular responsible bidder, or shall reject all bids. The board may reject any and all bids and shall reject the bid of any party who has been delinquent or unfaithful in the performance of any former contract with the city, and shall reject all bids other than that of the lowest regular responsible bidder. Upon rejecting any bids the board shall return to the proper parties the checks accompanying the rejected bids. Such examinations shall be practical in their character, and shall relate to those matters which will fairly test the relative capacity of the persons examined to discharge the duties of the position to which they seek to be appointed, and, when appropriate, shall include, or exclusively consist of, tests of physical qualifications, health, and manual skill. No question in any examination shall relate to political or religious opinions or affiliations. From the examinations made by the commission it shall prepare a register, in each grade or class of position in the classified civil service, other than that of unskilled laborers employed by the day, of the persons whose general average standing upon examination for such grade or class is not less than the minimum fixed by the rules of said commission, and who are otherwise eligible, and such persons shall take rank upon the register as candidates in order of their relative excellence as determined by their examinations without reference to priority of the date of examination.

The commission shall also keep a register upon which shall be entered, in the order of their application, the names of all who apply for employment in the class of unskilled laborers, and who, after such medical or physical examination as the board may prescribe, are found to be capable of performing in a satisfactory manner the duties of the occupations sought. In case any registered applicant in said class of unskilled laborers shall be employed and subsequently laid off or dismissed through lack of work, or through no fault of his own, that fact shall be forthwith certified to the board of civil

In making such certification, sex shall be disregarded, except when some statute, the rules of said commission, or the appointing power specify sex. Said appointing officer or department shall notify said commission of each position to be filled separately, and shall fill such place from the names certified to him or it by said commission therefor. The candidate thus appointed shall be employed on probation for a period to be fixed by said rules, not exceeding six months. Each candidate, unless he shall be sooner appointed, or otherwise lawfully cease to be a candidate, shall be certified for appointment in the grade or class for which he is eligible not less than three times, and no candidate shall lose his place on the register by certification or rejection, except that said commission may strike off names of candidates from the register after they have remained thereon more than two years. At or before the expiration of the period of probation, the head of the department or office in which the candidate is employed, may discharge him upon assigning in writing the reasons therefor to said commission. If he is not thus discharged during the period of probation, his appointment shall be deemed complete. To prevent the stoppage of public business, or to meet extraordinary exigencies, the head of any department, or any officer or board may, under such regulations as the commission may by its rules prescribe, make temporary appointments in the classified civil service, to remain in force not exceeding sixty days, and only until regular appointment, under the provisions of this article, can be made.

SPECIAL REPORT OF COMMITTEE ON CODE REVISION.

The Committee on Code Revision presented the following special report, which was ordered printed in the Journal:

SENATE CHAMBER, SACRAMENTO, February 8, 1905.

MR. PRESIDENT: Your Committee on Code Revision hereby respectfully makes a special report with respect to the Code Revision bills now upon the Senate special file of Code Revision bills, which have been read the second time, and which have been correctly engrossed and are ready for third reading. The points covered, or changes made by these bills, respectively, are as follows:

SENATE BILL NO. 14.

Penal Code—Section 7: The purpose of the amendment is to make the section conform to the corresponding sections of the Civil Code and of the Code of Civil Procedure. The changes consist in the addition, line 8, of the words "county" includes "city and county"; page 1, line 9, of the words "and typewriting"; and on page 2, lines 15 to 19, of the clause "provided, that when a signature is made by mark it must, in order that the same may be acknowledged or serve as the signature to any sworn statement, be witnessed by two persons who must subscribe their own names as witnesses thereto." The above changes make the above section conform to the corresponding subdivision in Section 17 of the Code of Civil Procedure and in Section 14 of the Civil Code. The definition of "night-time" and "day-time" are added in Subdivision XIII, following the definitions of Sections 450 and 463 of this Code, which confined the definition to the chapters in which they occurred. The word "canal-boat," in line 50 of page 2, is printed "canals, boats," in the official Statutes of 1873-4, page 421, amending the section, and is hereby corrected to conform to the manifest intention of the statute, and to the original form of the section as enacted in the Code of 1872. Subdivision XX is also added to correspond with a like provision in the other codes.

SENATE BILL NO. 134.

Penal Code—Sections 1573 to 1614: The above named sections, which compose Title I of Part III of the Penal Code, with the exception of the last sentence of Section 1593, have been completely superseded by the Constitution of 1879 and the General Statutes in pursuance thereof. The portion of Section 1593 which is still in force has been incor-

porated into a bill to amend the Act of 1899, Part 404, concerning the State prisons, Senate Bill No. 353, so that it will be preserved, notwithstanding the repeal of these superseded and therefore useless provisions.

SENATE BILL No. 120.

Penal Code—Section 37: The amendment consists of a recasting of Subdivision 2, designed to make it punishable in this State to embezzle money in another State and bring the money embezzled or some part of it into this State. The section as it now stands authorizes the conviction and punishment of persons committing larceny or robbery outside of the State, who bring the property stolen into this State, but does not extend to the case of embezzlement.

SENATE BILL No. 126.

Penal Code—Section 76: The change consists in the addition of the clause "or willfully and unlawfully withholds or detains from his successor, or other person entitled thereto, any money or property in his custody as such officer," in lines 9 to 12, inclusive. The section as it now stands makes it punishable only for an officer to retain writings or records appertaining or belonging to his office, but does not extend to the manifestly graver offense above noted.

SENATE BILL No. 137.

Penal Code—Section 160: The change consists in the omission of the word "said" before "superintendent" in line 1, the insertion of the word "chapter" in place of "act" in line 9, and the omission of the phrase "in any court of competent jurisdiction," at the end of the line, it being entirely unnecessary.

SENATE BILL No. 139.

Penal Code—Section 109: The amendment is designed to make it punishable to assist the escape of inmates of reformatories, and to accomplish this end the following insertions have been made: In lines 4 and 5, the words "or jail, or reformatory"; in line 5, the words "or any person"; and in lines 7 and 8, the words "or jail, or public training school, or reformatory."

Penal Code—Section 110: The change is in line with the proposed change in Section 109. In line 4, the words "jail, public training school, or reformatory" are inserted; in line 6, the words "or inmate" are added after "prisoner."

SENATE BILL No. 140.

Penal Code—Section 111: The change consists of the insertion of the words "and of the execution of the sentence of such convict," after "convict," in line 9, and substitution of the words "judge of the superior court of such county" for "superior judge of said county," in line 11. It is manifestly proper that the county should be recouped for the expenses covered by the amendment.

SENATE BILL No. 155.

(Amended in Senate, January 26, 1905.)

Penal Code—Section 74a: This is a codification of the provision of the Act of 1871-2, page 951, with the following changes: the word "accepts" is inserted in place of "keeps" in line 4, and the phrase "for his own use" is added after "retains," in line 4.

SENATE BILL No. 141.

(Amended in Senate, January 26, 1905.)

Penal Code—Section 118a: The object of this new section is to punish those who instigate litigation by making false affidavits respecting the facts to which they will testify, and is made necessary by the decision of the Supreme Court in *People vs. Simpton*, 133 Cal. 367.

Penal Code—Section 119: The change consists of the substitution of the words "two sections" for "section," in line 3. The change is made necessary by the addition of Section 118a to the Code.

Penal Code—Section 121: The matter following the word "manner," in line 4, is new. The object of the amendment is to cut off the defense sometimes successfully made in perjury cases, that the defendant did not in fact go before the officer and take oath, it being at the same time admitted that he sent the affidavit to the officer with the intention that he should certify to it and with the intention that it should be used as valid.

Penal Code—Section 124: The change consists of the addition of the word "affidavit," in line 3. The purpose is of the same character as that of the amendment to the preceding section.

Penal Code—Section 129: The object of the section is similar to that of the proposed amendment to Section 121. (See *People vs. Simpton*, 133 Cal. 367.)

SENATE BILL No. 152.

(Amended in Senate, January 26, 1905.)

Penal Code—Section 165: The word "public" is inserted before the word "corporation," in line 5, as the section was undoubtedly intended to apply to bodies and authorities of a public character.

The words "of which is afterward to be considered by" are inserted in lines 7 and 8.

The words "upon any understanding that his official vote, opinion, judgment, or action shall be influenced thereby, or shall be given in any particular manner or upon any particular side of any question or matter, upon which he may be required to act in his official capacity," inserted in lines 10 to 14, were not in the report of the original Code Commission, but were inserted as a committee amendment two years ago.

The words "in addition to said punishment," inserted in line 17, were likewise inserted by said committee.

The first two changes, "public," are Code revision; the last two changes are, in a measure, new legislation, but we think them good.

SENATE BILL No. 151.

Penal Code—Section 161a: This section, which is a new one, is self-explanatory.

SENATE BILL No. 142.

Penal Code—Section 159a: The change consists in the substitution of the word "annulment" for "nullity," in lines 9 and 12, and the substitution of "section" for "act" in line 14.

SENATE BILL No. 376.

Code of Civil Procedure—Section 1579: The only change consists in the substitution of the word "ten" for "five," in line 51, to make this section correspond with the present form of Section 718 of the Civil Code, which was amended in 1903. Whoever amended the latter section at the last session of the Legislature forgot to amend this section of the Code of Civil Procedure to correspond with it.

SENATE BILL No. 376.

Penal Code—Section 686: The amendment consists in the substitution in line 11, of the word "five" for "ten." At the last session of the Legislature, Sections 686 and 687 were changed, the former being amended, and the latter repealed. Through a mistake in copying the proposed amendment to Section 686, the section, as it now stands, leaves a large class of cases unprovided for. The word "ten," on the fourth line of Sub-division 1, has been changed to "five" (line 11 of the bill), so that where the punishment for a first conviction would be six, seven, eight, nine, or ten years, some penalty shall attach for a second conviction for an offense punishable, say by seven, or even ten years, entails no penalty. Judge Carroll Cook called the attention of the committee to the error, and requested the amendment.

SENATE BILL No. 156.

Penal Code—Sections 178 and 179: These sections were in the Circuit Court of the United States, Ninth Judicial District, explicitly held to be in violation of the Constitution of the United States, on May 22, 1880. (*In re Parrott*, 5 Pac. Coast L. J. 161.) They are now obsolete. An ordinance in somewhat similar terms was also held unconstitutional in *ex parte Kerboch*, 85 Cal. 374.

SENATE BILL No. 157.

Penal Code—Section 207: Two amendments: inserting, in line 5, the words "or into another part of the same county," and inserting beginning with the word "and," line 14, and ending with the word "thereof," line 19.

The advisability of the first change is shown by the decision of the Supreme Court in *ex parte Keil*, 85 Cal. 309, where it was held that the forcible removal of a person from San Pedro, Los Angeles county, to Santa Catalina Island, in the same county, did not constitute kidnapping. These changes are asked for by the District Attorneys' Association.

SENATE BILL No. 162.

Penal Code—Sections 269a and 269b: The Act to punish adultery (Stats. 1871-2, page 380) is codified in the two sections above named.

Should be referred to a committee of one to substitute the words "cohabitation and" for "fornication or," line 5, Section 1, and to insert the words "cohabitation and" after the word "notorious," line 4, Section 2, to make the codification exact.

SENATE BILL No. 161.

Penal Code—Sections 266a, 266b, 266c, 266d, 266e, and 266f: The Statute of 1893, page 217, regarding the compulsory prostitution of women, is codified in the above-named sections. The penalties here set forth in Sections 266d, 266e, and 266f, are those of a felony, instead of the various penalties set forth in the corresponding sections of the Act codified.

Penal Code—Section 266g: This section codifies the Statute of 1891, page 236, regarding the placing and keeping of married women in houses of prostitution.

SENATE BILL No. 153.

Penal Code—Section 169: "Presentment" is stricken out and "information," line 5, inserted in its place, for the reason that under the Constitution of 1879 there is no prosecution by presentment, that portion of this section (originally passed in 1872) having been superseded by the Constitution.

SENATE BILLS NOS. 158, 159, AND 160.

Penal Code—Sections 214, 218, and 219: Section 218 has been broken up into three sections, contained, respectively, in the three bills above named.

Penal Code—Section 214: In view of the criticism passed by the Supreme Court in the case of *People vs. Thompson*, 111 Cal. 242, upon Section 218, and the suggestion of that court that the section be revised, there has been taken out of that section the provisions regarding robbery and the same has been amplified and made a new section, numbered 214, to be placed in Chapter IV, of Title VII, of Part I.

In the new section the punishment is not prescribed as death or imprisonment for life at the option of the jury, as in Section 218; but the grade of the offense is fixed at felony simply, it having been found that the severity of the punishment results in failure to secure convictions. (*Penal Code*, Section 218.)

The section as amended provides only for attempted wrecking or derailment of railroad trains, and fixes the grade of the offense as felony simply, the matters formerly in the section regarding an accomplished or consummated wrecking or derailment being left to Section 219 (*Senate Bill No. 160*), and the provisions regarding robbery being provided for in Section 214 (*Senate Bill No. 158*). (*Penal Code*, Section 219.)

The section contains the matter now in Section 218 regarding an accomplished or consummated wrecking or derailment. The punishment is left at death or imprisonment for life, at the option of the jury, as now provided in Section 218.

In short, these three bills split up Section 218 in the manner suggested by Judge Garoutte in *People vs. Thompson*, 111 Cal. 242, and modify the penalty of train wrecking, where no death has occurred, so as to preclude failures to convict on account of the severity of the penalty.

SENATE BILL NO. 164.

Penal Code—Section 302: The change consists in the omission of the word "noise" before the word "profane," in line 4, it being manifestly an error in the statute, as it occurs later in the section with a qualification, lines 5 and 6.

SENATE BILL NO. 165.

Penal Code—Section 303: The section is in conflict with Section 18 of Article XX of the Constitution, which provides that "no person shall, on account of sex, be disqualified from entering upon or pursuing any lawful business, vocation, or profession." (See *ex parte Maguire*, 57 Cal. 604.)

SENATE BILL NO. 166.

Penal Code—Section 306: This section is explicitly held to be in conflict with Section 18 of Article XX of the Constitution in *ex parte Maguire*, 57 Cal. 604, 609.

SENATE BILL NO. 167.

Penal Code—Section 310½: This section was explicitly held to be unconstitutional in *ex parte Jentzsch*, 112 Cal. 468.

SENATE BILL NO. 168.

Penal Code—Section 26a: The proposed section, a new one, merely states in an appropriate title to the Code the rule regarding the capacity of corporations to commit crimes, and provides the punishment to be inflicted upon corporations where imprisonment is declared the sole punishment for any crime in the section providing generally for its punishment.

SENATE BILL NO. 154.

Penal Code—Section 171: The scope of the section is broadened by the insertion of the words "jail or reformatory in this State," in line 5, and the words "literature or reading matter," in line 7.

Penal Code—Sections 171a, 171b, 171c, and 180a: Sections 171a, 171b, and 171c contain the matter now contained in Section 180a, and also a codification of the provisions of the Act of 1896, page 92.

SENATE BILL NO. 163.

Penal Code—Section 270: The change consists in the omission of the words now following the word "excuse," "to perform any duty imposed upon him by law."

They are clearly without signification as employed in the section.

Penal Code—Section 271a: The penal sections of the Statute of 1873-4, page 297, relating to the care of orphan and abandoned children, are codified in the above-named section.

Penal Code—Sections 272, 273, 273a, 273b, 273c, and 273d: The two statutes, one of 1877-8, page 812, and the other of 1877-8, page 813, relating to children, are codified by an amendment to Section 272 and by the addition of Sections 273, 273a, 273b, 273c, and 273d.

The word "sixteen" has been inadvertently printed "fourteen," line 3, Section 3, page 2 of the printed bill, and can be amended by a committee of one.

Penal Code—Sections 273c and 1389: The matter now in Section 1389, which incorrectly stands in a chapter entitled "Dismissal of the Action," is put into a new section, designated as 273c, and is put in its proper chapter, with the other sections relative to children, and Section 1389 accordingly repealed.

SENATE BILL No. 359.

(Amended in Senate January 26, 1905.)

Penal Code—Section 653a: This is a new section, codifying, word for word, the eight-hour law passed at the last session (Statute 1903, page 119).

Penal Code—Section 653d: This is a new section, codifying the Statute of 1871-2, page 361, to protect wages of labor, inserting, however, in line 4, the words, "for his own use," to make same conform to intention of original Act.

SENATE BILL No. 377.

(Amended in Senate January 26, 1905.)

Political Code—Sections 767, 771, 772, 773, and 774: The amendment is self-explanatory. It is rendered necessary by the amendment to the Constitution relative to the establishment of the District Courts of Appeal. In view of the extra work placed on the Supreme Court Reporter, his compensation is raised to three thousand dollars. Possibly the salaries of the assistant reporters should be reduced. It is the desire of the Supreme Court to have control of the reporting of these opinions, so that, as far as possible, the publication of unnecessary opinions may be avoided.

SENATE BILL No. 451.

Penal Code—Section 597g: The Statute of 1873-4, page 228, to prevent stallions running at large, and of 1877-8, page 437, respecting buck goats, and of 1871-2, page 63, to provide for the keeping of stallions, are codified in this section, and makes the law concerning the running at large of stallions in Sacramento and Mono counties, by extending its provisions to the State at large.

SENATE BILL No. 452.

Penal Code—Sections 601a, 601b, 601c, 601d: Sections 5, 6, 7, and 9 of the Act of 1887, page 110, to protect life and property from the careless or malicious use of dynamite, is codified in the above named sections.

SENATE BILL No. 455.

Penal Code—Section 487: The change consists in the addition of subdivision 4, which is a codification of the Statute of 1871-2, page 435, and the insertion of the words "or in his immediate presence" after "another," in line 7.

Penal Code—Section 500: The change consists in the omission of the words "in the City and County of San Francisco" after "who," in the line 3, thus making the statute general.

Penal Code—Sections 502½ and 502: Section 502½ is renumbered 502.

SENATE BILL No. 453.

Penal Code—Section 597: The amendment consolidates the present Section 597 with Section 6 of the Statute of 1873-4, page 499, as amended 1901, page 285, for the more effectual prevention of cruelty to animals.

Penal Code—Section 603: The section as it now stands declares that certain injuries to trees on the land of the United States, including the cutting of them, do not constitute public offenses. This is a proper subject for regulation by the United States, and it is obviously improper for the State to undertake to legalize trespasses upon, or injuries to, the public lands of the Federal Government.

SENATE BILL No. 473.

Penal Code—Section 777: The amendment declares that the jurisdiction of any public offense not otherwise specially provided for is within the county where it was committed. Although this has always been understood to be the law, the Code seems to

contain no express declaration upon the subject. The change consists of the addition, after the words "United States," of the words "and except as herein otherwise provided, the jurisdiction of any public offense is in the county wherein it is committed."

Penal Code—Section 778a: The section is designed to provide for the punishment of persons who in this State do an act culminating in the commission of a crime in another State.

SENATE BILL No. 474.

Penal Code—Section 840: The purpose of the amendment is to authorize an officer to arrest without a warrant at night-time for a misdemeanor committed in his presence. The change consists in the addition of the words "except when the offense is committed in the presence of the arresting officer," in lines 7 and 8.

SENATE BILL No. 480.

Penal Code—Section 1147: The change consists in the omission of the words "at the same or another term," after "tried," in line 3, because there are now no terms of court.

Penal Code—Section 1214: The amendment makes the rule of the section applicable, though the punishment include imprisonment as well as fine. (See *People vs. Brown*, 113 Cal. 35.)

Penal Code—Section 1222: The change consists in the substitution of the word "hearing" for "inquisition," in line 3.

Penal Code—Section 1223: The amendment requires the verdict to be entered upon the minutes, and the court to thereupon enter an order for the confinement of the defendant in a hospital if he is found to be insane.

Penal Code—Section 1226: The change consists of the inserting of the words "certified copy of the finding and certificate" (lines 6 and 7), and of the addition of the provision relative to the Governor's issuing his warrant upon receiving a certificate from the warden (lines 7 to 10).

Penal Code—Section 1227: The change consists in the addition of the last sentence (lines 14 to 16), which provides that no appeal can be taken from the order fixing the time for the execution of the judgment.

SENATE BILL No. 493.

Penal Code—Section 1475: The change consists in the addition of the last sentence in Subdivision II (lines 11 to 17). The purpose of the amendment is to prevent one who, after a hearing upon habeas corpus, has been remanded to custody from applying there-after to the same or another superior court or judge, unless upon some ground not existing at the issuing of the prior writ, or unless upon some point of law not raised at the hearing upon the return of the prior writ.

The matter thus added to the section is a codification of a part of the provisions of Section 3 of the Act of 1871-2, page 403, as amended by the Statute of 1875-6, page 379, respecting jurors summoned to act at coroners' inquests.

Penal Code—Section 1511a: This section is a codification of Section 6 of the Act of 1871-2, page 403, above referred to.

Penal Code—Section 1511: Section 7 of the statute last referred to is codified in this section.

Penal Code—Section 1512: The change consists in the insertion of the words "or hold a postmortem examination thereon, or a chemist to make an analysis of the tissues of the body of the deceased" after "body," in line 9. Penal Code—Section 1306: The amendment is designed to conform the section to the proposed amendment to Section 1305, and the change consists in the substitution of the words "twenty days from the entry upon the minutes, as provided in the last section" for the words "the adjournment of the court," after the word "after," in line 4.

SENATE BILL No. 486.

Penal Code, Section 1235: The amendment is designed to make the section conform to Article VI, Section 4, of the Constitution, which provides that the Supreme Court has jurisdiction "in all criminal cases prosecuted by indictment or information in a court of record, on questions of law alone," it having been held (in *People vs. Jordan*, 65

Cal. 644) that it has jurisdiction in all such cases and that if its jurisdiction by appeal is restricted to cases of felony, it would devolve upon it to establish some appropriate system of appellate procedure by which it could review all other convictions based upon an indictment or information.

Penal Code—Section 1233: The change consists in the omission of Subdivision 6, because the court cannot make the order therein referred to, its action being limited to advising the jury to acquit, and if this advice is followed, an appeal is necessarily unavailing because a defendant after his acquittal cannot be placed upon trial. (See *People vs. Stoll*, 28 Cal. Dec. p. 22.)

Penal Code—Section 1240: The change consists in the omission of the words "or filed," after "entered," in line 4.

Penal Code—Section 1241: The change consists of the insertion of the words "by affidavit filed therein," after "thereof," in line 5, the present section being entirely silent respecting the mode of proof.

Penal Code—Section 1245: The change consists in the insertion of the words "the execution of the" before "judgment," in line 4.

Penal Code—Section 1246: The design of the amendment is to require a copy of the opinion of the Supreme Court to be certified to and sent to the clerk of the court below with the remittitur. The change consists in the insertion of the words "with a copy of the opinion of the court attached thereto" after "entry," in line 5.

SENATE BILL NO. 484.

Penal Code—Section 1191: The change consists in the omission of the words "if the court intend to remain in session so long; but if not, then at as remote a time as can reasonably be allowed," after "verdict," in line 8, because the courts are always open.

Penal Code—Section 1201: The change consists in the substitution of the words "a State hospital for the care and treatment of the insane" for "lunatic asylum" after "to," in line 9.

Penal Code—Section 1206: The amendment makes the section applicable whether the fine was imposed with or without the alternative of imprisonment. (See *People vs. Brown*, 113 Cal. 35.)

Penal Code—Section 1207: The design of the amendment is to conform the section to the proposed amendment to Section 1176 (See Senate Bill No. 481). To effect this the words "and the certified transcript of the charge of the court" are inserted after "thereon," in line 13.

SENATE BILL NO. 483.

Penal Code—Section 1185: The change consists in the addition of the words "when determined, the order must be immediately entered by the clerk in the minutes," after "judgment," in line 11, and is designed to conform this section to the present practice.

Penal Code—Section 1186: See note to last section.

Penal Code—Section 1187: The purpose of this amendment is to give the same effect to an order of the court made on its own motion, under Section 1186, as Section 1187 now gives to an order made on motion of the defendant.

SENATE BILL NO. 482.

Penal Code—Section 1182: The change consists in the addition of the words "and the order granting or denying the same must be immediately entered by the clerk in the minutes" after "judgment" in line 4, and is designed to conform the section to the present practice.

Penal Code—Section 1108: The amendment consists in the substitution of the word "eighteen" for "twenty-five," in line 6. The purpose is to conform the section to the provisions of Section 268.

Penal Code—Section 1110: The amendment consists in the insertion of the word "labor" before "money," in line 6, and in the substitution of the words "or property, whether real or personal," in place of "personal property," in lines 6 and 7, thus conforming the section to the proposed amendment to Section 532 (Senate Bill No. 458).

SENATE BILL NO. 478.

Penal Code, Section 1035: The change consists in the omission of the word "first," after "pending," in line 4, and of the words "where the action is pending. Second—On the application of the district attorney on the ground that from any cause no jury can be obtained for the trial of the defendant in the county where the action is pending," after "county," in line 6, the provision relative to a change of the place of trial in a criminal action on application of the district attorney having been held unconstitutional in *People vs. Powell*, 87 Cal. 348.

Penal Code—Section 1034: The design of the amendment is to conform this section to the proposed amendment to the last section. The change consists in the insertion of the words "for removal," after "application," in line 3; in the omission of the words "or of the district attorney, as the case may be," after "defendant," in line 4; in the insertion of the word "district," after "the," in line 5; in the omission of the words

"of the adverse party," after "attorney," in line 6, and the insertion after "application," in line 7, of the sentence "At the hearing the district attorney may serve and file such counter affidavits as he may deem advisable."

SENATE BILL NO. 477.

Penal Code—Section 954: The amendment is designed to authorize an offense to be set forth under different counts, and to excuse the prosecution from electing between them.

Penal Code—Section 969: This is the section as it existed prior to its repeal in 1880. It is believed that no good reason for such repeal existed.

Penal Code—Section 1004: The change consists in the insertion of the words "except as provided in Section 954," after "warden," in line 13. The object of the amendment is to make this section conform to the proposed change in Section 954.

Penal Code—Section 1008: The purpose of the amendment is to authorize, where a demurrer to an indictment is sustained, the resubmission of the charge to the grand jury which found the original indictment, if it has not been discharged. This amendment changes the rule announced in *Terrill vs. Superior Court* (60 Pac. Rep. 516). To accomplish this, the words "the same or" have been inserted before the word "another," in line 8.

Penal Code—Section 1020: The change consists in the substitution of the word "one" for "that," before "specified," in line 4.

Penal Code—Section 1025: This is the section as it existed prior to its repeal in 1880. By such repeal no provision was left for any plea to a charge of former conviction, and it is believed this should be provided for in the Code.

SENATE BILL NO. 476.

Penal Code—Sections 907, 908, 909 and 910: These sections purport to authorize the court, if an offense is committed during a term of court, but after the grand jury has been discharged, to summon another grand jury. There are now no "terms of court," and any necessity which may arise after one grand jury has been discharged can be met by the drawing of another.

Penal Code—Section 916: This section relates to and defines presentments by grand jury, and, as they no longer have authority to prefer a presentment, the section is superfluous and misleading.

Penal Code—Section 915: The change consists in the omission of the words "either by presentment or," after "court," in line 5. The change is made for the reason that grand juries no longer have authority to prefer presentments.

Penal Code—Section 919: The change consists in the omission of the words "for the purpose of either presentment or indictment," after "charge," in line 3. The change is made because grand juries have no longer authority to prefer presentments.

Penal Code—Section 923: The change consists in the substitution of the word "or," in place of "and," between "willful" and "corrupt," in line 6.

Penal Code—Section 925: The Statute of 1871-2, page 540, authorizing the grand jury or district attorney to require the attendance of an interpreter, is codified in the last sentence, lines 25 to 29.

Penal Code—Sections 931 to 937: These sections compose Chapter IV, of Title IV. of Part II, of the Penal Code. They relate solely to the proceedings after finding a presentment, and since the adoption of the Constitution of 1879 have been inoperative.

SENATE BILL NO. 475.

Penal Code—Section 872: The change consists in the substitution of the word "complaint" for "deposition," in line 6, and in the omission of the words "and committed to the sheriff of the county of blank," at the end of the section.

Penal Code—Section 882: The change consists in the insertion of the words "and such deposition may be used upon the trial of the defendant, except in cases of homicide, under the same condition as mentioned in Section 1345," after the word "discharged," in line 11.

SENATE BILL NO. 472.

Penal Code—Section 758: The design of the amendment is to broaden the scope of the section so as to include State officers not otherwise provided for, and to specify the grand jury which shall make the accusation. To accomplish this purpose the word "State" has been inserted before "district," in line 3; the words "other than those mentioned in section seven hundred and thirty-seven" have been inserted before the word "for," in line 5, and the words "or, if a State officer, by the grand jury of the County of Sacramento," after the word "appointed," in line 9.

Penal Code—Section 769: The change consists in the insertion of the words "and disqualified from holding any office of honor, trust, or profit within the State," after the word "office," in line 5.

Penal Code—Section 772: This section provides for the removal of public officers in a summary manner, by an accusation in writing presented by any person to the superior court. The repeal of this section is advocated for the reason that the proceeding by accusation presented by the grand jury, provided for in Section 758, seems to be sufficient.

SENATE BILL No. 471.

Penal Code—Section 619: The change consists in the insertion of the words "or telephonic," after "telegraphic," in line 4.

Penal Code—Section 620: The change consists in the insertion of the words "or telephonic," after "telegraphic," in line 4.

Penal Code—Section 621: The change consists in the insertion of the words "or telephone," before "office," in line 4.

Penal Code—Section 628: The change consists in the insertion of the words "or telephone," before "office," in line 4.

Penal Code—Section 639: The change consists in the insertion of the words "or telephone," before "office," in line 4.

Penal Code—Section 640: The change consists in the addition of the words "or telephone," before "line," in line 7, and before "office," in line 10.

Penal Code—Section 641: The change consists in the insertion of the words "or telephone" before "act," in line 6.

SENATE BILL No. 470.

Penal Code—Section 609: The amendment incorporates the provisions of the Act of 1873-4, page 619, for the protection of buoys and beacons.

SENATE BILL No. 468.

Penal Code—Section 601: The present Section 601 is amended to conform it to Section 8 of the Statute of 1887, page 110, to protect life and property against the careless and malicious use or handling of dynamite and other explosives.

SENATE BILL No. 467.

Penal Code—Section 508a: This is a codification of the Statute of 1887, page 37, for the protection of Antwerp messenger or homing pigeons.

Penal Code—Section 599: The Statute of 1875-6, page 287, to protect sea-gulls in the neighborhood of Santa Monica, and the Statute of 1889, page 206, to protect the destruction of blue cranes, are codified in this section.

SENATE BILL No. 467.

Penal Code—Section 564: The amendment is intended to incorporate in the section such provisions of the Act of 1877-8, page 695, as are not already sufficiently expressed therein. The statute, however, is limited to corporations whose stock is listed on the stock board or exchange. The amendment omits this limitation, for the reason that its constitutionality is doubtful.

SENATE BILL No. 464.

Penal Code—Section 512: The change consists in the insertion of the words "or an indictment found by a grand jury," after "magistrate," in line 6.

Penal Code—Section 513: The change consists in the insertion of the words "or an indictment found by a grand jury," after "magistrate," in line 4.

Penal Code—Section 514: The amendment substitutes "in" for "under" before the word "this" in line 13, thus making a person convicted of embezzlement ineligible to any office in this State, whether it be a State office or not.

SENATE BILL No. 458.

Penal Code—Section 529: The change consists in the insertion of the words "in either his private or official capacity," after "another," in line 3, the amendment being designed with the purpose of changing the construction put upon this section in *People vs. Knox*, 119 Cal., 73, where it was held that the section did not apply to a case where a person falsely assumes an official character.

Penal Code—Section 530: With the same object in view, the words "in either his private or official capacity" have been inserted after "another," in line 3.

Penal Code—Section 532: The amendment is intended to make it criminal to procure the labor or services of another, or to defraud him of real property, by representation known to be false. With respect to real property, this changes the rule announced in *People vs. Cummings*, 114 Cal. 437. The change consists in the addition of the words "whether real or personal," after "property," in line 6.

Penal Code—Section 537: There are two sections numbered 537. The one regarding the removal of mortgaged chattels is repealed, the matter contained in it being sufficiently provided for in Section 538.

Penal Code—Section 537a: Section 537½ is re-numbered 537a, the word "valuable" is substituted for "legal," before "consideration," in line 11, and subdivision II is omitted because not properly a part of the Penal Code.

Penal Code—Section 532: The amendment extends the operation of the section to a person, who, with intent to defraud a mortgagee of personal property, takes, removes, or drives it away from the county in which it is mortgaged, without the consent of the mortgagee.

SENATE BILL No. 481.

Penal Code—Sections 1171 and 1174: The design of the amendment to these sections is to bring about as far as possible an avoidance of the delay now so common in getting criminal cases to a hearing in the Supreme Court, and to require bills of exceptions in criminal cases to be settled as expeditiously as is compatible with the circumstances of the case. The phraseology of the present section is changed in certain respects to more clearly express its purpose. The clerk is required upon receipt of the draft to note such receipt thereon, and the judge upon receipt thereof, is required to immediately designate a time for settlement and have the parties notified thereof, if not present. The time so fixed cannot be changed for the convenience of a party, except upon good cause shown by affidavit.

Penal Code—Section 1176: The purpose of this amendment is to correct imperfections and confusion in the language of the present section, and to more clearly point out the duty of the judge in noting his action upon instructions requested by the parties.

SENATE BILL No. 488.

Penal Code—Sections 1835, 1836, 1837, 1838, 1839, 1840, and 1841: By the amendment of the above sections, the provisions of the statute respecting the conditional examination of witnesses have been extended so far as may be constitutionally done, to the end that the prosecution, except in cases of homicide, may have the same privilege as the accused of taking conditionally the testimony of witnesses who are about to leave the State or who are so sick and infirm as to afford reasonable grounds for apprehending that they will be unable to attend the trial. The proposed change is within the contemplation of that part of Section 13, of Article I of the Constitution, which provides that "the Legislature shall have power to provide for the taking, in the presence of the party accused and his counsel, of depositions of witnesses in criminal cases, other than cases of homicide, when there is reason to believe that the witness, from inability or other cause, will not attend the trial."

Respectfully submitted.

HAHN, Chairman.

PROPOSITION No. 3.

In addition to recommending the improvements to the State Capitol building, as set forth under Proposition No. 2, we further recommend the erection in the near future of an appropriate building for the State Library and the Appellate Court. This building should be erected upon the site now occupied by the State Printing Office and Pavilion.

The proper location for the State Printing Office should be near the water-front and railroad, for which a plain brick loft, inexpensive structure, should be erected.

The Pavilion can readily be removed at no distant date, since a similar building will in all probability be erected upon the recently purchased State Fair Grounds. There will practically be no use for the present Pavilion, and it is a constant source of expense to the State for repairs.

In conclusion, we suggest that all wooden shelving and filing cases throughout the State Capitol be replaced by steel furniture, as a precaution against fire.

Respectfully submitted.

REPORT OF SPECIAL COMMITTEE.

The following report of special committee was received and read:

SENATE CHAMBER, SACRAMENTO, February 9, 1905.

MR. PRESIDENT: Your special committee of five, appointed pursuant to a resolution adopted by the Senate on the 30th day of January, A. D. 1905, to investigate the charges contained in an affidavit reflecting upon the honor, integrity, and conduct of certain members of the Senate contained in said affidavit, beg leave to report:

That at a session of said committee, held in the Senate Chamber Wednesday evening, February 8, 1905, one of said accused Senators, to wit: Senator E. J. Emmons,

presented himself before the committee and requested to be sworn and examined as a witness; that thereupon A. M. Seymour, Esq., District Attorney of the County of Sacramento, State of California, addressed the committee, and objected to the administration of the oath to said Senator E. J. Emmons, or to the taking of his testimony as a witness under oath, specifying the following reasons for his objection: That under the provisions of the law, if said Senator Emmons or any of the other accused Senators were permitted to testify as a witness under oath before this committee, it would preclude any further criminal prosecution on the part of the people of the State of California against any such Senator so testifying.

The chairman of the committee (for the committee) asked the accused Senators if they were willing to make voluntary statements before this committee, without being sworn, and the said Senators, by their counsel, replied that they would not.

Whereupon, it was unanimously resolved by the committee that this matter be reported to the Senate, in order that this committee might receive the instructions of the Senate on this question.

Your said committee therefore presents the following interrogatory to the Senate, on which it requests definite instructions:

Shall the committee refuse to swear any or either of said four accused Senators, and decline to receive their testimony under oath?

BELSHAW, Chairman.

By Senator Lukens:

WHEREAS, The special committee of five, appointed by the Senate of California on the 30th day of January, A. MR. PRESIDENT: Your special committee of five, appointed pursuant to a resolution adopted by the Senate on the 30th day of January, A. D. 1905, to investigate the charges contained in an affidavit reflecting upon the honor, integrity, and conduct of certain members of the Senate contained in said affidavit, beg leave to report:

That at a session of said committee held in the Senate Chamber Wednesday evening, February 8, 1905, one of said accused Senators, to wit: Senator E. J. Emmons, presented himself before the committee and requested to be sworn and examined as a witness; that thereupon A. M. Seymour, Esq., District Attorney of the County of Sacramento, State of California, addressed the committee, and objected to the administration of the oath to said Senator E. J. Emmons, or to the taking of his testimony as a witness under oath, specifying the following reasons for his objection: That under the provisions of the law, if said Senator Emmons or any of the other accused Senators were permitted to testify as a witness under oath before this committee, it would preclude any future criminal prosecution on the part of the people of the State of California against any such Senator so testifying.

The chairman of the committee (for the committee) asked the accused Senators if they were willing to make voluntary statements before this committee, without being sworn, and the said Senators, by their counsel, replied that they would not.

Whereupon, it was unanimously resolved by the committee that this matter be reported to the Senate, in order that this committee might receive the instructions of the Senate on this question.

BELSHAW, Chairman.

WHEREAS, The maximum penalty which can be imposed by the Senate, in case of the further prosecution of said charges and the conviction of said Senators thereunder, is simple expulsion from the Senate, and that if they are sworn as witnesses, and give testimony as such in said investigation, they become thereby absolved from any criminal prosecution; and

WHEREAS, Said penalty is inadequate to meet the gravity of said charges; but that under the criminal laws and Constitution of the State there are adequate penalties which, in case of conviction in the courts of the land, include deprivation of office and imprisonment for felony; and

COMMONWEALTH CLUB OF CALIFORNIA,
SAN FRANCISCO, February 10, 1905. }

HON. ALDEN ANDERSON, *Chairman of the Senate, Sacramento, California:*

MY DEAR SIR: At a meeting of the Commonwealth Club, held in the Palace Hotel on the evening of February 8th, the following resolutions were adopted unanimously, and, as Secretary, I was instructed to transmit a copy to you as an expression of the club's judgment upon this important matter now before the Legislature. I also send you a copy of Bulletin No. 2, issued some time ago by the club, dealing with the problem of taxation. These resolutions are the result of the study by members of the club covering the past year.

Respectfully,

FREDERIC BURK, Secretary.

The section recommends:

1. That the Commonwealth Club reaffirms its conviction that the sources of State revenue should be segregated from the sources of local revenue, and that the club heartily approves the suggestions of Governor Pardee looking to the accomplishment of that end, as stated in his biennial message.

2. That the Legislature, at its present session, should formulate and submit to the people such a constitutional amendment as will permit that to be done. We also believe that the amendment should be so drawn as to give the Legislature a fairly wide discretion in the classification and apportionment of objects of taxation.

3. That in the meantime the Legislature should proceed to increase the revenue of the State from such sources not taxed for local purposes as are available under the present Constitution.

Each of the four thus appointed shall be at least thirty years of age, a citizen of the State, and shall have been a resident and qualified elector of the city for the three years next preceding his appointment. The fifth member of the board shall be the mayor, who shall be the presiding officer of the board. Those members of the board first appointed under this charter shall so classify themselves by lot that one shall go out of office at the end of one year, one at the end of two years, one at the end of three years, and one at the end of four years; thereafter their successors shall hold office for four years and until their successors are appointed.

After the approval of said demands, they shall be delivered to the city auditor, who shall have the same powers and shall perform the same duties in reference to demands payable out of the "Water Fund" as is provided for other demands; *provided*, that in case the city auditor shall reject any such demand, or if, in his opinion, said demand should be paid only in part, he shall return the same to the board of water commissioners, instead of the council.

Any demand returned to the board of education, the board of water commissioners or to the board of library trustees with the objection of the city auditor, shall again be considered by such board, and if such demand be again approved as required in the first instance, the said objection by the city auditor shall thereby be overruled. Any demand, the objection of the mayor to which has been overruled, shall be delivered to the city auditor, who shall have the same power and perform the same duties in reference thereto as if the same had been approved by the mayor. ARTICLE 20½.

RECALL.

The holder of any elective office may be removed at any time by the electors entitled to vote for a successor of such incumbent. The procedure to effect the removal of an incumbent of an elective office shall be as follows: A petition signed by electors entitled to vote for a successor of an incumbent sought to be removed, equal in number to at least 25 per centum of the entire vote for all candidates for the office, the incumbent of which is sought to be removed, cast at the last preceding general municipal election, demanding an election of a successor of the person sought to be removed, shall be addressed to the council and filed with the city clerk; and said petition shall contain a general statement of the grounds for which the removal is sought. The signatures to the petition need not all be appended to one paper, but each signer shall add to his signature his place of residence, giving the street and number. Each such paper shall have attached thereto the affidavit of a registered voter of the city, stating that all the signatures to the paper were made in his presence and that to the best of his knowledge and belief, each signature to the paper appended is the genuine signature of the person whose name purports to be thereunto subscribed. Within ten days from the date of filing such petition the city clerk shall examine and ascertain whether or not said petition is signed by the requisite number of electors entitled to vote, and if necessary, the council shall allow him extra help for that purpose and he shall attach to said petition his certificate showing the result of said examination. If, by the clerk's certificate, the petition is shown to be insufficient, it may be amended within ten days from the date of said certificate. The clerk shall, within ten days after such amendment, make like examination of the amended petition, and if his certificate shall show the same to be insufficient, it shall be returned to the person filing the same, without prejudice, however, to the filing of a new petition to the same effect. If the petition shall be found to be sufficient, the clerk shall submit the same to the council without delay and the council shall thereupon order and fix a date for holding the said election, not less than thirty days nor more than forty days from the date of the clerk's certificate to the council that a sufficient petition is filed.

The City Council shall make or cause to be made publication of notice, and all arrangements for holding of such election; and the same shall be conducted, returned and the result thereof declared, in all respects, as are other city elections. The successor of any officer so removed, shall hold office during the unexpired term of his predecessor. Any person sought to be removed may be a candidate to succeed himself, and, unless he requests otherwise, in writing, the clerk shall place his name on the official ballot without nomination. In any such removal election, the candidate receiving the highest number of votes shall be declared elected. At such election if some other person than the incumbent receives the highest number of votes, the incumbent shall thereupon be deemed removed from office upon qualification of his successor. In case the party who receives the highest number of votes should fail to qualify within ten days after receiving notification of election, the office shall be deemed vacant. If the incumbent receives the highest number of votes he shall continue in office.

We have had the same under consideration, and respectfully report the same back, and recommend that they do pass.

HAHN, Chairman.

Assembly Bills Nos. 494, 398, 387, 334, 383, 879, 687, 505, 499, 495, 493, 492, 490, 489, 488, 487, 481, 399, 397, 393, 392, 391, 389, 384, 216, 516, 515, 514, 513, 512, 511, 510, 509, 508, 507, 506, 504, 503, 502, 501, 500, 497, 496, 480, 479, 396, 395, 394, 390, 388, 386, 385, 336, 335, 491, 485, and 486 ordered on special file of Code Revision bills for second reading.

Also:

SENATE CHAMBER, SACRAMENTO, February 18, 1905.

MR. PRESIDENT: Your Committee on Code Revision has had referred to it—

Senate Bill No. 168—An Act to add a new section to the Penal Code, to be numbered 26a, relating to the punishment of corporations for crime.

We have had the same under consideration, and respectfully report the same back, and recommend that same be withdrawn.

HAHN, Chairman.

Also:

SENATE CHAMBER, SACRAMENTO, February 20, 1905.

MR. PRESIDENT: Your Committee on Code Revision hereby respectfully makes a special report with respect to the Code Revision bills now upon the Senate special file of Code Revision bills. The points covered, or changes made by these bills, respectively, are as follows:

SENATE BILL No. 452.

(On reconsideration.)

Penal Code—Sections 601a, 601b, 601c and 601d: Sections 5, 6, 7, and 9 of the Act of 1887, page 110, to protect life and property from the careless or malicious use of dynamite, is codified in the above-named sections.

SENATE BILL No. 453.

(In unfinished business.)

Penal Code—Section 597: The amendment consolidates the present Section 597 with Section 6 of the Statute of 1873-4, page 499, as amended 1901, page 285, for the more effectual prevention of cruelty to animals.

Penal Code—Sections 597a, 597b, 597c, 597d, 597e, and 597f: These sections are a codification of Sections 7, 8, 9, 11, 12, and 13 of the last-named statute, as amended 1901, page 285.

Penal Code—Section 599a: This section is a codification of Section 10 of the Statute of 1873-4, page 499, as amended 1901, page 285, for the prevention of cruelty to animals.

Penal Code—Sections 599b and 599c: Sections 16 and 17 of the Act of 1873-4, page 499, for the more effectual prevention of cruelty to animals, are codified in the above sections.

SENATE BILL No. 162.

Penal Code—Sections 269a and 269b: The Act to punish adultery (Stats. 1871-2, page 380) is codified in the two sections above named.

SENATE BILL No. 163.

Penal Code—Section 270: The change consists in the omission of the words now following the word "excuse," "to perform any duty imposed upon him by law." They are clearly without signification as employed in the section.

Penal Code—Section 271a: The penal sections of the Statute of 1873-4, relating to the care of orphan and abandoned children, is codified in the above-named section.

Penal Code—Sections 272, 273, 273a, 273b, 273c and 273d: The two Statutes, one of 1877-8, page 812, and the other of 1877-8, page 813, relating to children, are codified by an amendment to Section 272 and by the addition of Sections 273, 273a, 273b, 273c, and 273d.

Penal Code—Sections 273c and 1389: The matter now in Section 1389, which incorrectly stands in a chapter entitled "Dismissal of the Action," is put into a new section, designated as 273c, and is put in its proper chapter, with the other sections relative to children, and Section 1389 accordingly repealed.

SENATE BILL No. 377.

(Amended in Senate January 20, 1905.)

Political Code—Sections 767, 771, 772, 773, and 774: The amendment is self-explanatory. It is rendered necessary by the amendment to the Constitution relative to the establishment of the District Courts of Appeal. In view of the extra work placed on the Supreme Court Reporter, his compensation is raised to three thousand dollars. Possibly the salaries of the assistant reporters should be reduced. It is the desire of the Supreme Court to have control of the reporting of these opinions, so that, as far as possible, the publication of unnecessary opinions may be avoided.

SENATE BILL No. 615.

Penal Code—Section 497: The object of the amendment is to enlarge the scope of the section to include cases of embezzlement, and to accomplish this purpose the words "or embezzle" have been inserted after "steals," lines 3 and 4, the word "embezzled" has been inserted after "stolen," in line 5, and the words "or embezzlement" have been inserted after "larceny," in line 7.

SENATE BILL No. 614.

Penal Code—Section 496: The change consists in the omission of the words "or both" after "months," in line 7. Obviously it was not the intention of the Legislature that the same offense should be punishable by imprisonment in both the State prison and the county jail.

SENATE BILL No. 750.

Penal Code—Section 105: The present section is open to the objection that the punishment prescribed is unequal, not proportionate to the offense, and its constitutionality

on that account has been sometimes doubted. The cases of *State vs. Lewin* (Kan.), 37 Pac. Rep. 168; *Barbier vs. Connolly*, 113 U. S. 27; *Coon Hing vs. Crowley*, 113 U. S. 703; *Hayes vs. Missouri*, 120 U. S. 68; *Home Ins. Co. vs. N. Y.*, 134 U. S. 594; *Pembina Mng. Co. vs. Penn.*, 125 U. S. 181; *Crowley vs. Christenson*, 137 U. S. 86; *Yick Wo vs. Hopkins*, 118 U. S. 358; *Civil Rights Cases*, 103 U. S. 3, are cited in behalf of this view. The amendment is strongly urged by the District Attorney of Marin County.

ASSEMBLY BILL No. 263.

Civil Code—Section 164: The words "or transferred to, or otherwise placed in the name of," in line 5 of Section 1, are added, and the words "or a widow," after "a married woman," in line 15, makes it clear that all stock standing on the books of a corporation in the name of a married woman is presumed to be her separate estate, and may be dealt with by her in the absence of proof and notice to the contrary.

Civil Code—Section 170: The words "contracted before marriage," at the end of the present section, are omitted therefrom. It is a frequent occurrence that a wife after marriage does business on her own account, incurs liabilities, and executes evidences of indebtedness which are enforceable against her and her separate estate, but it is clear that it was never intended that her husband should be answerable for them out of his separate property, any more than for liabilities contracted by her prior to her marriage to him.

ASSEMBLY BILL No. 264.

(Last amended in Assembly February 1, 1905.)

Civil Code—Section 58: The provisions of this section are contained in the present Section 82. The section is therefore unnecessary.

Civil Code—Section 60: The change consists in the insertion of the word "Mongolians," after the word "negroes."

Civil Code—Section 68: The change consists in the substitution of the word "others" for "other," before "than"; the substitution of "a party" for "the parties," after "than"; and the substitution of "it" for "that marriage," after "invalidate." The meaning of the section is unchanged.

Civil Code—Section 794: The change consists in the omission of the words "procuring a license and," after "to," in line 3, Section 4, page 2, of the printed bill, thus requiring a license in every case, but leaving the mode of celebrating the marriage as at present. The section is renumbered 794.

Civil Code—Section 84: The design of the amendment is to make the rule declared in this section applicable to all judgments adjudging marriage null, the present section applying only to cases where a marriage is annulled on the ground that a former husband or wife was living.

ASSEMBLY BILL No. 265.

Civil Code—Sections 242, 243, 244, and 245: The provisions of the above sections, relating to guardian and ward, are controlled by Sections 1747, 1753, and 1793 of the Code of Civil Procedure. They are, therefore, unnecessary and misleading.

Civil Code—Section 246: The change consists in the addition of Subdivision 4, which is a codification of the Statute of 1873-4, p. 297, relating to the care of orphan and abandoned children. The penal provisions of that Act are, however, omitted, as they do not properly find a place in this Code.

Civil Code—Section 247: The subject-matter of this section is provided for in Section 1753 of the Code of Civil Procedure.

Civil Code—Sections 248 and 249: The provisions of these sections are included in Sections 1753 and 1770 of the Code of Civil Procedure.

Civil Code—Section 258: This section, which prescribed the mode of placing insane persons in the asylum, has been supplanted by later legislation (see Statute of 1897, p. 311, relative to the establishment of a lunacy commission, and Political Code, Sections 2136 to 2199).

ASSEMBLY BILL No. 266.

Civil Code—Section 226: The first two sentences of this section have been recast with the design to making the proceeding for adoption judicial, thereby supporting it by the same intendments which are indulged in favor of other proceedings conducted in courts of records.

Civil Code—Section 227: The change consists in the substitution of the word "court" for the word "judge," in line 3, and in the addition of the last sentence, lines 8 to 10, said sentence being added for the purpose of making it clear that the papers constituting part of the adoption, or of the proceeding therefor, must be filed and preserved by the clerk.

ASSEMBLY BILL No. 331.

Civil Code—Section 299: The change consists in the insertion of the words "other than the county in which its original articles of incorporation are filed" after "state," in line 4, Section 1.

Civil Code—Section 302: The change consists in the omission of the words "and the right to vote determined" after "given," in line 7, Section 2. The right to vote is controlled by Section 307.

Civil Code—Section 304: The provisions of the present section, declaring that no by-law or any amendment thereof shall take effect until copied in the book of by-laws, is

amended so as to permit by-laws and amendments thereof, which have been duly passed, to be treated as valid and enforceable against the corporation and persons having notice thereof, regardless of whether or not they have been copied into the proper book. It has often happened that by-laws have been published and generally acted upon by the corporation, and by others, and then their effect has been sought to be avoided on account of the failure of the proper officer to perform his duty of copying them as the Code directs. The change consists in the addition of the last sentence (lines 28 to 29).

Civil Code—Section 309: The change consists in the omission of the words "nor must they divide, withdraw, or pay to the stockholders, or any of them, any part of the capital stock," where those words first occur, and in the omission of the words "in the event of its dissolution," after "thereof," in line 5.

The reason for the omission of the words first above alluded to is that by some clerical error they occur twice in the section. The words "in the event of its dissolution" are omitted because their presence makes it impossible to enforce the liability against the directors unless the corporation is first dissolved, which could not have been the intention of the Legislature.

Civil Code—Section 310: The amendment, while it authorizes the removal of the whole board of directors by a two-thirds vote of the members or stockholders, denies the power to remove less than the whole number by such vote.

The reason for this is that by the system of cumulative voting sanctioned by Section 307, a minority may obtain representation in the board of directors; if so, a director elected to represent a minority of one third ought not to be removed by the subsequent vote of the other two thirds, and the system of cumulative voting and minority representation thus made ineffective. The first sentence only is changed.

Civil Code—Section 311: By the amendment proposed, the holders of a majority of the stock, though their number is less than three, are authorized to apply to the justice to issue a warrant for an election. The change consists in the addition of the last sentence, lines 13 to 15.

Civil Code—Section 312: The change consists in the substitution of the words "superior court" in place of "district court," in line 12, and in the omission of the words "bona fide" before "stockholder," in line 7. For the purposes of election, a person appearing upon the books of the corporation to be a stockholder should be permitted to vote, and election officers should not be vested with authority to deny such a stockholder the right to vote, or to claim that for some reason he is not a bona fide stockholder. (See *Smith vs. S. F. & N. P. Ry. Co.*, 115 Cal. 534.)

Civil Code—Section 314: The design of the amendment is to extend the provisions of the section to all elections, howsoever authorized, and for this purpose the words "by-law" are inserted after "appointed," "in" is omitted after "appointed," and "or otherwise" are inserted after "by-laws."

Civil Code—Section 315: The change consists in the substitution of the words "superior court of the county" for "district court of the district."

SENATE BILL No. 410.

Penal Code—Section 315: The change consists in the addition of the matter following the semicolon in line 6. The new matter is taken from the Statute of 1873-4, p. 84, and makes the reputation of the house evidence of its character and that of the women resorting to it.

SENATE BILL No. 414.

Penal Code, Section 360: The change consists of the clause making it criminal to solemnize a marriage without being first presented with a marriage license, and the clause making it criminal to fail to file for record the marriage license and the certificate of marriage. The last of these amendments, besides being otherwise proper, is necessary in order to give effect to the amendment to Section 79a of the Civil Code (Senate Bill No. 284), which provides that a license must be procured in every case, and regardless of whether the parties are, or are not, members of some particular religious denomination having, as such, some peculiar mode of celebrating marriage.

SENATE BILL No. 431.

Penal Code, Section 369b: This is a codification of Section — of the Statute of 1877-78, p. 969.

SENATE BILL No. 432.

Penal Code—Section 334: The amendment designates the punishment, and in this respect conforms the section to the Statute 1871-2, p. 96, on the same subject, and inserts, after the word "lands," in line 5, the words "not his own," to conform the section to what was obviously the intent of the Legislature.

Penal Code—Section 384a: This is a codification of the Statute of 1891, p. 473, concerning the subject set forth in the section.

Penal Code—Section 384b: This is a codification of that part of Section 5 of the Act of 1875-6, p. 408, respecting the leaving of camp fires unextinguished.

SENATE BILL No. 433.

Penal Code—Section 384c: This is a codification of Sections 4 and 5 of the Statute of 1875-6, p. 408, respecting the wounding of animals while hunting upon the lands of another.

SENATE BILL No. 434.

Penal Code—Section 369a: This is a codification of the Statute of 1899, p. 183.

Penal Code—Sections 369d, 369e, 369f and 369g: Codification of police regulations in the Statute of 1877-8, p. 969, not included in Senate Bill No. 431.

Penal Code—Section 374: The change consists in the substitution, in line 8, of the word "crematory" for "cemetery."

Penal Code—Section 375a: This is a codification of Sections 1, 2, 3, and 4 of the Act of 1887, p. 110.

Penal Code—Section 376: The change consists in the omission after the word "officer," in line 4, of the words "arriving in the Port of San Francisco," thus making the statute general.

Penal Code—Section 383: The amendment is a consolidation of the present Section 383 with the Statute of 1896, page 71. Section 4 of the statute has, however, been omitted as unnecessary.

Penal Code—Section 385a: A section of the Act of 1899, p. 25, is here codified.

Penal Code—Sections 400 and 401: There being two sections numbered 400 and 401, the one relating to the encouragement of suicide has been numbered 401.

Penal Code—Section 401a: This is a codification of the Statute of 1876-8, p. 769, concerning lodging-houses and sleeping apartments.

Penal Code—Sections 402½ and 402a: Section 402½ for purposes of convenience is renumbered 402a.

Penal Code—Sections 402½ and 402b: Section 402½ is renumbered 402b.

Penal Code—Sections 402¾ and 402c: The change consists in the re-numbering of Section 402¾ to 402c.

Penal Code—Section 402d: This is a codification of the Statute of 1893, p. 302.

SENATE BILL No. 437.

Penal Code—Section 420: This is a codification of the Statute of 1887, p. 147.

SENATE BILL No. 411.

Penal Code—Section 343: The change consists in the insertion, after the word "sales," in line 9, of the words "or appointed by the sheriff of the county, or the head of the police department of any city, city and county, or town, to inspect such registry, or examine such articles on account of sales." The change is suggested and advocated by the sheriffs' organization of this State.

SENATE BILL No. 155.

Penal Code—Section 172: The amendment consolidates the provisions of the present Section 172 with a codification of the Statutes of 1873-4, p. 12; 1880, p. 80, and 1895, p. 161, relating to the State University, Soldiers' Homes, and State Capitol. There is no new legislation in the bill.

SENATE BILL No. 436.

Penal Code—Section 470: The change consists in the insertion of the words "or of a fictitious person," in the beginning of the section. The purpose of the amendment is to make the forging of the name of a fictitious person, or knowingly signing the name of another, criminal, if done with intent to defraud.

Penal Code—Section 474: The change consists in the insertion of the words "or telephone," after "telegraph," in line 4.

Penal Code—Section 481: The change consists in the insertion of the words "or steamship," after "railroad," in line 5, and "or vessels," after "cars," in line 7.

Penal Code—Section 482: The words "or steamship" are twice inserted after "railroad" (lines 8 and 11).

ASSEMBLY BILL No. 332.

Civil Code—Sections 264 and 276: The bill is a codification of the Statute of 1876-8, page 842, relative to masters and apprentices, as amended in 1880, page 28, the old chapter being repealed, and the provisions of the Acts above referred to substituted in place thereof.

In this codification, Section 1 of the Statute has been made Section 264; Sections 2 and 7, 265; Sections 3, 4, 5, and 12, 266; Section 6, 267; Section 8, and the latter part of Section 9, 268; the first clause of Section 9, and all of Section 10, 269; Section 11, 270; Section 13, 271; Section 14, 272; Section 15, 273; Sections 16 and 17, 274; Section 19, 275; Section 20, 276.

It will be observed that Section 18 of the statute has been omitted. It purports to make the parties to an indenture of apprenticeship liable to the master for any breach thereof.

The theory of the statute is that the contract of apprenticeship is not made by the minor, but by his parent or guardian. If such parent or guardian is made personally liable on the contract, a parent will rarely, and the guardian almost never, enter into it. It seems sufficient that such parent or guardian be made answerable for the cost of the proceeding brought by the master to be released from the indenture, as provided for in Section 274. The master on his part is not absolutely bound, because he may, if he wishes to remove from the State, or to quit his trade or business, apply to be released from his contract, and he may take like action whenever the apprentice is guilty of neglect, refusal to do his duty, or gross misbehavior. These considerations seem to furnish good reason for the omission of the section.

ASSEMBLY BILL No. 333.

Civil Code—Section 322: The change consists in the substitution of the language of the first sentence of Section 3 of Article XII of the Constitution in place of the first sentence of the present section. As the section now stands, it is believed to be unconstitutional. (See *Larrabee vs. Baldwin*, 35 Cal. 155.) The words "an equal share" are substituted for "his proportion," in line 46.

Civil Code—Section 323: The change consists in the addition of the words "but any certificate issued prior to full payment must show on its face what amount has been paid thereon" (lines 7 to 9), the object being to require a certificate issued prior to full payment to show the amount paid thereon.

Civil Code—Section 325: The amendment is designed to make it clear that shares of stock standing in the name of a married woman are presumed to be her separate property, and that they may be dealt with by her as such, in the absence of proof and notice to the contrary.

SENATE BILL No. 763.

Penal Code—Section 1387: Inserts, in the section relating to an order for dismissal being a bar in cases of misdemeanor, a provision that where the order explicitly is made for the purpose of allowing an amended complaint to be filed, the order for dismissal shall not constitute a bar. This revision corrects a manifest abuse. The bill is earnestly urged by the District Attorney of Napa County.

ASSEMBLY BILL No. 494.

Civil Code—Section 1181: The change consists in the substitution of the word "township" for "district" before "for," in line 5.

Civil Code—Section 1185: The change consists in the substitution of the words "person who executed it on behalf of the corporation," in place of "president or secretary of such corporation." (See note to Section 1161.)

Civil Code—Section 1190: The change consists in the substitution of the words "the person (or officer) who executed the within instrument on behalf of the corporation therein named," in place of the words "the president (or the secretary) of the corporation that executed the within instrument." (See note to Section 1161, Assembly Bill 493.)

Civil Code—Section 1202: The change consists in the substitution of the word "superior" for "district" before "court," in line 5.

Civil Code—Section 1203: The change consists in the substitution of the word "superior" in the place of "district" before "court," in line 5.

ASSEMBLY BILL No. 398.

Civil Code—Section 549: The change consists in the omission of the two sentences following the word "charge," line 9, which are now a part of the section, said sentences having been superseded by the provisions of the Constitution of 1879, providing for the mode in which water rates shall be fixed.

Civil Code—Section 550: This section is an expression of the constitutional provisions found in the Constitution of 1849, respecting the right of corporations to use streets for laying water pipes.

Civil Code—Section 551: The design of the amendment is to better express the purpose of the present section and to remove the objections that it may be unconstitutional in investing the supervisors with an arbitrary power to require or not require bridges, and to supply the present defect in not providing any means of coercing the performance of the duty created.

ASSEMBLY BILL No. 387.

(Last amended in Assembly February 1, 1905.)

Civil Code—Sections 452a and 453: The Statute of 1873-4, page 745, as amended by the Statutes of 1880, page 25, and 1901, page 6, relating to mutual benefit associations, is codified in the above sections, and a new chapter, entitled "Mutual Benefit and Life Associations," is added, to consist of Sections 452a and 453.

ASSEMBLY BILL No. 334.

Civil Code—Section 338: This section as it now stands applies only to corporations authorized to receive tolls, and is probably unconstitutional as creating a special law where a general law may be made applicable. (See *Krause vs. Durbrow*, 127 Cal. 681.) The amendment makes the section applicable to all corporations, and removes all question of its constitutionality.

Civil Code—Section 391: The amendment inserts the words "person, company," in the first line of the section, making it applicable to persons and companies as well as corporations, as it should be, if franchises are to have executions levied upon them.

Civil Code—Section 392: The amendment makes applicable to an execution sale of franchises the law of redemption applicable to other sales of real property.

Civil Code—Section 393: Omits the words "upon which the taxes are paid," they having apparently no relevancy to the section.

ASSEMBLY BILL No. 333.

Civil Code—Section 360: There are now two Sections 363, so the Section 363 that was approved March 5, 1889, has been consolidated with the present 360, leaving only one Section 363.

Civil Code—Section 362: The section as amended at the last session (Stats. 1903, p. 411), to extend its provisions to corporations without capital stock, and the further amendments are added at the suggestion of the Secretary of State's office, to harmonize this section with the other statutes and sections of the Code concerning the fees of corporations that must be paid into the Secretary of State's office.

Civil Code—Sections 361 and 363: These sections are repealed because the provisions of 361 are out of place in this chapter and have been incorporated into 587a, and 363, as approved March 5, 1889, is repealed so that there shall be but one such section after its provisions are consolidated with Section 360.

ASSEMBLY BILL No. 879.

Civil Code—Sections 405, 406, and 407: In these sections are codified the Statute of 1889, p. 111, and Section 1 of the Statute of 1880, p. 21.

Civil Code—Sections 408, 409, and 410: In these sections are codified the Statute of 1901, page 108.

ASSEMBLY BILL No. 687.

Civil Code—Section 2161: The change consists in the insertion of the words "or telephone" after "telegraph" in two places (lines 4 and 6), thus making the section applicable to both telegraph and telephone companies.

ASSEMBLY BILL No. 505.

Civil Code—Section 2170: The change consists in the omission of all of the present section except the first sentence, the provisions following the first sentence being transferred to Section 2172. The reason for the transposition is stated in the note to the following section.

Civil Code—Section 2172: This section consists of all the present Section 2170, except the first sentence. In 1890 Section 2170 was amended when it was manifestly the intention to amend Section 2172, and the proposed amendment to Section 2172 is for the purpose of carrying out that intention.

Civil Code—Section 2180: The change consists in the substitution of the word "need" for "may," in line 8. The present section would seem to prohibit a carrier by stage from receiving more than sixty pounds of luggage, wherein it was manifestly intended only to relieve him, at his election, from receiving a greater amount.

Civil Code—Section 2195: The change consists in the substitution of the words "want of ordinary care" for "ordinary negligence," in line 4.

ASSEMBLY BILL No. 499.

Civil Code—Section 1386: A clerical error is corrected by renumbering the subdivisions; certain grammatical errors are corrected. The words "or grandchild" are inserted after "child" in line 41; the words "nor the child or grandchild of a deceased brother or sister" are inserted after "sister" in line 44; the words "children of such deceased spouse and the descendants thereof, and if none, then to," are inserted in lines 73 and 74. In the second line of subdivision 8, the word "issue" is substituted for "kindred," and the subdivision amended in accordance with the urgent request of Judge Gray of the Supreme Court Commission to overcome such cases as estate of McCauley (138 Cal. 546).

Civil Code—Section 1388: The amendment consists in declaring that if an illegitimate child has been legitimated, his estate on his death is succeeded to as if he were born in wedlock.

Civil Code—Section 1395: The change consists in the substitution of the words "other heir" for "other lineal descendants," in lines 4 and 7; the substitution of "heirs" for "issue" in line 6.

Civil Code—Section 1399: The change consists in the substitution of the words "other heir" for "other lineal descendant" before "receiving" in line 3, and in the substitution of "heirs" for "issue" after "leaving" in line 4.

Civil Code—Section 1405: The change consists in the words "superior court" for "district court" before "or" in line 4, and in the substitution of the words "he appears in the court in which such information was filed and asks for a judgment or order entitling him thereto," page 2, Assembly Bill No. 499 (lines 8 to 11), in place of the words "proof to the satisfaction of the State Comptroller and Treasurer be produced that he is entitled to succession thereto." The design of the amendment is to require the proof of the right to succession to be made in court instead of vesting the Controller and the Treasurer with power to determine the question.

Civil Code—Section 1406: This section is recast to conform to the proposed amendment to the last section.

Civil Code—Section 1409: This is a new section, corresponding to the proposed Section 1314.

ASSEMBLY BILL No. 495.

Civil Code—Section 1218: This is a new section. It is self-explanatory.

ASSEMBLY BILL No. 493.

Civil Code—Section 1161: The change consists in the substitution of the words "the person executing the same in behalf of the corporation," in place of "its president or secretary" (lines 8 and 9). The reason for the amendment is that an instrument may

be executed on behalf of a corporation by an officer or person other than its president or secretary, when authorized by its board of directors. The section as it now stands appears to sanction its execution by those officers only.

ASSEMBLY BILL No. 492.

Civil Code—Section 1096: Section 1 of the Act of 1873-4, page 345, relating to conveyances of real estate, is codified in the above section. The rest of the statute should be added to Section 4236 of the Political Code.

ASSEMBLY BILL No. 490.

Civil Code—Section 970: The amendment consists in the substitution of the words "by or under authority of the laws of the United States," after "steamers," in line 43, in place of the words "under authority of the Acts of Congress, approved August 13, 1852, and April 29, 1864."

ASSEMBLY BILL No. 489.

Civil Code—Sections 842 and 843: The Statutes of 1889, page 202, relating to the protection of owners of ditches and flumes, is codified in the above sections. Section 3 of the statute is not codified for the reason that any matter in it which should be retained is fully covered by the general rules of law.

ASSEMBLY BILL No. 488.

Civil Code—Section 822: A clerical error is corrected by inserting "has" after "property," in line 3.

ASSEMBLY BILL No. 487.

Civil Code—Section 795: The words "in the district court," where they occur in the present section, are omitted.

ASSEMBLY BILL No. 481.

Civil Code—Sections 607, 607a, 607b, 607c, 607d, 607e, 607f, and 607g: The subject-matter of the above sections is taken from the Statute of 1873-4, page 499, as amended in 1901, page 285, and 1903, page 69—to prevent cruelty to animals; the Statute of 1875-6, page 830, relating to the incorporation of societies for the prevention of cruelty to children; and the Statute of 1877-8, page 812, for the protection of children; and the Statute of 1877-8, page 813, relating to children. Section 1 of the Act of 1875-6, page 830, is codified in Section 607. Subdivision 7 of Section 2 of the same Act is codified in Section 607a, and Section 3 in Section 607b. Section 607c is a codification of Section 4 of the Act of 1875-6, page 830, and Section 4 of the Act of 1873-4, page 499. Section 5 of the Act of 1875-6, page 830, is codified in Section 607d, and Section 14 of that Act, as amended in 1903, page 69, and Section 5 of the Act of 1877-8, page 813, are consolidated and codified in Section 607e. Section 5 of the Act of 1873-4, page 499, as amended in 1901, page 285, is codified in Section 607f, and Section 3 of the Act of 1877-8, page 812, is codified in Section 607g, with the exception of subdivision 5 thereof, which is an addition thereto, to cover the matters referred to in the Act of 1877-8, page 813.

ASSEMBLY BILL No. 399.

Civil Code—Section 585b: This section is a codification of the Statutes of 1893, page 153, and 1897, page 27, the only change made being in the provisions concerning the person who is to make the report. The original statute provided that the report should be made by the president or secretary. It has been thought best to impose the duty upon a single officer, so that it cannot be evaded by one officer, by his saying that it was the duty of the other, or that he has supposed the other had or would perform it.

ASSEMBLY BILL No. 397.

Civil Code—Sections 536, 537, 538, 539 and 540: The change consists in the insertion of the words "or telephone" after the word "telegraph," in lines 14, 24, 30, 34, and 43, thus including telephone companies within the operation of the above sections.

ASSEMBLY BILL No. 393.

Civil Code—Section 497: The change consists in the insertion of the words "compressed air" after "electricity," in line 19, and in the addition of the last sentence (lines 28 to 34), said sentence being a codification of the Statute of 1897, page 46, authorizing cities and towns to grant franchises for the construction and maintenance of railroads beyond the limits of such cities and towns, and leading to parks owned by them.

Civil Code—Section 498: The change consists in the addition of the last sentence (lines 21 to 27), which is a codification of the Statute of 1893, page 44, requiring street railways to allow mail carriers to ride free of charge. The sentence which now follows the word "railways," in line 7, is transposed and placed in lines 17 to 20.

Civil Code—Section 504: The present Section 504 is recast, and the penalty is made \$250 in place of \$200.

Civil Code—Section 507: The amendment consists in the substitution of the word "municipality" for "corporation," in line 5, and of "owner of such railroad" for "corporation," in line 8.

ASSEMBLY BILL NO. 392.

Civil Code—Section 494, as approved March 22, 1899: In 1899 a section relating to the sale of railroads was added to the Code, and numbered 494. In 1903 a new section was added, also numbered 494, and clearly intended to supersede the old Section 494. Accordingly, it is thought advisable to repeal the earlier section.

ASSEMBLY BILL NO. 391.

Civil Code—Section 493: The change consists in the substitution of the words "Section four hundred and ninety-two," in place of "Act," in lines 3 and 4.

ASSEMBLY BILL NO. 389.

Civil Code—Sections 453d, 453e, 453f, 453g, 453h, 453i, 453j, 453k, 453l, 453m, 453n, 453o and 453p: The above sections are a codification of the Statute of 1891, page 126, relating to life, health, accident, and annuity or endowment insurance on the assessment plan. They are placed in a new chapter, entitled "Life, Health, Accident, and Annuity or Endowment Insurance on the Assessment Plan."

ASSEMBLY BILL NO. 384.

(Last amended in Assembly February 3, 1905.)

Civil Code—Section 414: The change consists in the insertion of the words "of any insurance company" after "incorporation," in line 4, thus making the section applicable, as was no doubt intended by the Legislature, to insurance corporations only.

Civil Code—Section 415: The change consists in omitting the clause in the last sentence of the section as it now stands, excusing the corporation from disposing of real property if it procures a certificate of an insurance commissioner that it will suffer by such sale, said clause being in conflict with that part of Section 9, of Article XII, of the Constitution, which declares that no corporation shall "hold for a longer period than five years any real estate except such as may be necessary for carrying on its business."

Civil Code—Section 417: The change consists in the substitution of the word "its" for "their," before "by-laws," thus correcting an error of grammar.

Civil Code—Section 418: The change consists in the omission of the words "the estates of," before "all," in line 6.

ASSEMBLY BILL NO. 216.

Civil Code—Section 47: The change consists in the addition of the second sentence in subdivision 2 (lines 6 to 8). The purpose of the amendment is to render not privileged irrelevant matter maliciously published in the course of judicial proceedings.

Civil Code—Section 49: The matter in subdivision 1 of the section as it now stands, referring to the abduction of a husband from his wife, and of a parent from his child, is omitted, and the words "of a husband from his wife" are inserted in subdivision 2. Also, the words "or of a servant from his master," now in subdivision 2, are omitted from the section.

Civil Code—Sections 51 and 52: The Statute of 1897, page 187, relating to the rights of persons, is codified in the two sections above named.

Civil Code—Sections 53 and 54: The Statute of 1893, page 220, relating to the rights of persons, is codified in the sections above named.

ASSEMBLY BILL NO. 516.

Civil Code—Section 3451: The change consists in the insertion of the words "or creditors or to some other person or persons in trust for such particular creditor or creditors," after "creditor," in line 12. The rule stated in the section as amended by the addition of the clause above quoted is the rule heretofore enforced in this State (Lawrence vs. Neff, 41 Cal. 566; Herfley vs. Pfister, 39 Cal. 283; Priest vs. Brown, 100 Cal. 626); but some doubt has been cast upon the subject by the later case of Sabachi vs. Chase, 108 Cal. 81.

ASSEMBLY BILL NO. 515.

Civil Code—Section 3366: The change consists in the substitution of the words "as provided by the laws of this State," in place of the words "in the cases specified in this title, and in no others." The purpose is to enlarge the scope of the section.

ASSEMBLY BILL NO. 514.

Civil Code—Section 3346a: The new section incorporates into this Code the principle now declared in Section 3344 of the Political Code.

ASSEMBLY BILL NO. 513.

Civil Code—Section 3294: The change consists in the substitution of the words "express or implied" for "actual or presumed," in line 5, and in the substitution of the words "the plaintiff, in addition to the actual damages, may recover," in place of the words "the jurors, in addition to actual damages, may give," in lines 5 and 6.

As the section now stands it appears to apply to jury trials only. This, of course, was not the intention of the Legislature.

ASSEMBLY BILL No. 512.

Civil Code—Section 3151: The change consists in the insertion of the words "or his agent" after "holder," in line 6. The design of the amendment is to conform the section in this respect to Section 3186.

Civil Code—Section 3176: The change consists in the insertion of the word "cannot" after "residence," in line 10, to correct a manifest error.

Civil Code—Section 3197: The change consists in the omission of the words "or other good consideration," as they occur after "value," line 5. The presence of these words implies that a consideration other than "for value" may support a promise in writing to accept a bill. Such is not intended to be the law.

Civil Code—Section 3255: The change consists in the substitution of the word "a" for "any" before "person," in line 8; in the omission of the words "but in any of the other States west of the Rocky Mountains" after "State," in line 8; in the omission of the third subdivision, and in the renumbering of the fourth subdivision rendered necessary thereby.

As it now stands the section divides for its purposes that part of the United States not included within this State, into two parts, viz: The States west, and the States east, of the Rocky Mountains, thus apparently ignoring the States now existing situated partly on each side of those mountains. It has seemed best to abolish the distinction altogether and to provide a uniform rate of damage for all the States, irrespective of their position with reference to those mountains.

ASSEMBLY BILL No. 511.

Civil Code—Section 3061: The Statute of 1885, page 109, concerning liens in favor of persons working on threshing machines, is codified in this section.

Civil Code—Sections 3062, 3063, and 3064: The Statute of 1891, page 90, is codified in the above section.

Civil Code—Section 3065: So much of the Statute of 1877-78, page 747, as amended in 1890, page 38, and 1887, page 53, relating to loggers' liens, as is deemed necessary to be preserved, is codified in the above section.

ASSEMBLY BILL No. 510.

Civil Code—Section 2973: This section merely declares the law already existing upon the subject. It is deemed proper to have the same expressed in the Code.

ASSEMBLY BILL No. 509.

Civil Code—Section 2903: The change consists in the addition of the clause after the word "foreclosed," in line 6. The design of the amendment is to state and apply the rule of equity in such cases, it being feared that the declaration of a similar rule in Section 2904, and its omission in this section might lead to doubt.

Civil Code—Section 2915: The change consists in the substitution of the word "value" for "a good consideration," after "for," in line 9.

ASSEMBLY BILL No. 508.

Civil Code—Section 2541: The change consists in the addition of the clause following "mortgagee" in line 10, and is designed to authorize a mortgagee in whose favor insurance is effected, to perform for the mortgagor any acts to be performed by him, with the same effect as if performed by the mortgagor.

ASSEMBLY BILL No. 507.

Civil Code—Section 2334: The change consists in the substitution of the words "want of ordinary care," for "ordinary negligence," in line 5.

ASSEMBLY BILL No. 506.

Civil Code—Section 2256: The change consists in the addition of the words "and for the value of its use" after "events" in line 6.

ASSEMBLY BILL No. 504.

Civil Code—Section 1929: The change consists in the substitution of the words "want of ordinary care" for "ordinary negligence," in line 4.

Civil Code—Section 1930: The change consists in the substitution of the words "he is liable to the letter for all damages resulting from such use, or the letter" in place of the words "the letter who is responsible for its safety during such use in all events, or" (lines 4 to 6).

Civil Code—Section 1932: The change consists in the substitution of the words "want of ordinary care" for "ordinary negligence," in line 13.

ASSEMBLY BILL No. 503.

Civil Code—Section 1865: The section is amended to incorporate therein the provisions upon the same subject of Sections 3136, 3137, and 3138 of the Political Code.

Civil Code—Section 1871: The section is amended to incorporate therein the provisions of Sections 3139, 3140, and 3141 of the Political Code.

ASSEMBLY BILL No. 502.

Civil Code—Sections 1858, 1858a, 1858b, 1858c, 1858d, 1858e, and 1858f: The Statute of 1857-8, page 949, relating to warehousemen's and wharfingers' receipts, is codified in the above sections.

ASSEMBLY BILL No. 501.

Civil Code—Section 624: The change consists in the addition of subdivision 7 (lines 31 to 34). The cases in which it is sought to establish parole evidence alleged agreements to provide for a person by will are becoming so numerous as to warrant the assumption that the reasons inducing the original enactment of the Statute of Frauds apply with especial force to agreements of this class and that they ought to be brought within that statute.

Civil Code—Section 1325: The change consists in the omission of the word "oral" before "negotiations," in line 4.

ASSEMBLY BILL No. 500.

Civil Code—Section 1468: This is a new section, and is designed to remove any doubt that covenants of the kind mentioned therein run with the land.

ASSEMBLY BILL No. 497.

Civil Code—Sections 129a, 129b, and 129c: The Statute of 1873-4, page 582, relating to homesteads belonging to insane persons, is codified in the above sections, which are placed in a new chapter, entitled "Alienation of Homesteads of Insane Persons."

ASSEMBLY BILL No. 480.

Civil Code—Sections 591, 592, 592a, 592b, 592c, 592d, and 592e: The bill adds a new title to the Code, designated "Corporations for the Formation of Chambers of Commerce, Boards of Trade, Mechanics' Institute, and other Kindred Organizations," the matter contained in said chapter being a codification of the Statute of 1865-6, page 468, as amended in 1867-8, page 6, and 1885, page 76, respecting chambers of commerce.

ASSEMBLY BILL No. 479.

Civil Code—Sections 586, 587 and 587a: The bill revises the whole of Title XI, of Part IV, of Division First, of the Civil Code, respecting mining corporations. Sections 586 and 587 are not changed, but simply reenacted. Section 587a contains substantially the matter now in Section 561, the word "corporations" being substituted for "companies" in lines 42, 53, 56, and 58, and the words "and to cause notice of the time and place fixed for such meetings to be mailed to each stockholder of each of such corporations at his last known place of residence or business at least ten days before the time fixed for such meeting" being inserted (lines 60 to 64). The matter added is designed to provide the mode in which notices may be served on stockholders.

Civil Code—Sections 588, 589 and 590: The Statute of 1873-4, page 866, as amended in 1880, page 34, and 1897, page 38, is codified in the above sections, the only substantial change made being in the omission of the proviso in Section 1 of the amendatory Act of 1897, limiting its provisions to corporations "whose stock is listed and offered for sale at public exchange." The provisions of the part of the section omitted are unconstitutional. (See *Johnston vs. Tautphaus*, 127 Cal. 604.)

ASSEMBLY BILL No. 396.

Civil Code—Section 528: The change consists in the insertion of the words, "or other governing body having authority in that behalf," after "supervisor," in line 5.

Civil Code—Section 529: The change consists in the insertion of the words, "or other governing body having authority in that behalf" after "supervisors," in line 6.

Civil Code—Section 530: The change consists in the insertion of the words, "or other governing body having authority in that behalf," after "supervisors," in line 5.

ASSEMBLY BILL No. 395.

Civil Code—Section 524: The Statute of 1897, page 191, authorizing municipal corporations to construct paths and roads for the use of bicycles and other horseless vehicles, codified in this section.

ASSEMBLY BILL No. 394.

Civil Code—Section 513: The change consists in the omission of the words "they were" before the word "before" in line 14. The omission does not change the meaning of the section.

Civil Code—Section 514: The change consists in the omission of that part of the section excepting from its operation the counties of Butte, Del Norte, Humboldt, Klamath, Plumas, and Sierra.

Civil Code—Section 517: The section as it now stands authorizes the toll-gatherer to prevent from passing through his gate persons leading or driving animals or vehicles subject to toll. The form of the section has been changed to express what was doubtless originally intended by the Legislature.

Civil Code—Section 518: The change consists in the insertion of the words "or any vehicle or animal" after "passenger," in line 4.

Civil Code—Section 522: The change consists in the substitution of the word "its" in place of "their" in line 5, thus correcting an error of grammar.

ASSEMBLY BILL No. 388.

Civil Code—Sections 453a, 453b, and 453c: The Statute of 1875-8, page 639, concerning the powers of underwriters, as amended by the Statute of 1897, page 223, is codified in the sections above named, a new chapter being added, entitled "Corporations to Discover Fire, and to Save Property and Human Life From Destruction Thereby," to consist of Sections 453a, 453b, and 453c.

ASSEMBLY BILL No. 486.

Civil Code—Sections 653b, 653c, 653d, 653e, 653f, 653g, 653h, 653i, 653j, and 653k: The Statute of 1895, page 221, is codified in the above sections, which are placed in a title designated "Coöperative Business Associations."

ASSEMBLY BILL No. 485.

Civil Code—Section 653a: This section is a codification of that part of the Statute of 1877-8, page 883, defining coöperative corporations, and the section is placed in a new title designated "Coöperative Business Corporations." That part of the statute declaring that the by-laws may provide for the number of votes to which each shareholder shall be entitled is omitted for the reason that it is special legislation, and probably unconstitutional within the decision in *Krause vs. Dubrow* (127 Cal. 681).

ASSEMBLY BILL No. 385.

Civil Code—Section 423: The change consists in the insertion of the words "at once" before "reinsuring," in line 7.

ASSEMBLY BILL No. 336.

Civil Code—Sections 403 and 404: The bill adds a new chapter, entitled "General Provisions Affecting Corporations." Said chapter is made up of the old Section 403, which now stands in a chapter entitled "Extension and Dissolution of Corporations," and of the matter now in Section 384, which now stands in a chapter entitled "Examination of Corporations." The object of the rearrangement is the placing of the sections under a more appropriate chapter heading.

ASSEMBLY BILL No. 335.

Civil Code—Section 399: This section, which purports merely to designate the place in the Code of Civil Procedure where the dissolution of corporations is provided for, does not state any rule of law and constitutes but an imperfect index to the provisions referred to.

Civil Code—Section 400: The change consists in the substitution of the word "a" for "such," in line 4.

Civil Code—Section 401: The design of the amendment is to require the written assent of stockholders representing two thirds of the capital stock instead of permitting two thirds in number of the stockholders to act by their written consent. The change consists in the substitution of the words "two thirds of the members or of stockholders representing two thirds of the capital stock" in place of that number of "stockholders or members," in lines 11 and 12.

ASSEMBLY BILL No. 491.

Civil Code—Section 993: The change consists in the addition of the words "and the person transferring it may transfer with it the right of using the name under which the business is conducted" (line 4 to 6). The purpose of the amendment is to authorize the transfer of the right of using the name with the transfer of the good-will of the business.

ASSEMBLY BILL No. 390.

Civil Code—Section 465a: This section is a codification of the Statute of 1893, page 208, relating to the operation of railroads.

Civil Code—Section 468: The amendment consists in codifying and adding to the section the provisions of the Act of 1880, page 43, to compel the operation of railroads, and of the Statute of 1897, page 5, to provide for the management and operation of railroads above certain elevations.

Civil Code—Section 473a: Section 2 of the Statute of 1880, page 21, authorizing railway and other corporations organized under the laws of this State or of any State or Territory of the United States to do business in this State, on equal terms, is codified in this section.

Civil Code—Section 481: The amendment consists in the substitution of the word "its" for "their" in line 3, and the substitution of "it" for "they" in line 5, thus correcting errors of grammar.

Civil Code—Section 489: Section 11 of the Statute of 1880, page 47, defining the powers of the Board of Railroad Commissioners, is substituted in place of the present Section 489. The section has been inoperative since the adoption of the Constitution of 1879.

ASSEMBLY BILL No. 496.

Civil Code—Section 1263: The change consists in the insertion of the words "and if the claimant is married the name of the spouse" after "family," in line 5.

ASSEMBLY BILL No. 482.

Civil Code—Section 613: The change consists in the insertion after "of," in line 15, of the words "a majority of the board of directors of the corporation owning said cemetery," in place of "the owners of such lots," lines 15 and 16, and the substitution of the words "with the consent of a majority of said directors," after "lot," in line 17. The change is made with the desire of conforming the section to the Statute of 1891, page 264.

ASSEMBLY BILL No. 286.

(Last amended in Assembly, February 1, 1905.)

Civil Code—Sections 431 and 452: Section 431, which deals with the amounts to be received by life insurance companies, now stands in a chapter entitled "Fire, Marine, and Title Insurance Corporations." It is transferred to a more appropriate chapter, and numbered 452.

Civil Code—Section 448: This section exempts accident insurance companies from stamp duties, but as there are no such duties under the law as it now stands, the section is unnecessary.

Respectfully submitted.

REPORT OF SPECIAL COMMITTEE.

Senator Belshaw, chairman of the Special Committee of Investigation, presented further testimony in the matter of the investigation of charges against Senators Emmons, French, Bunkers, and Wright, presented by William Corbin, and, on motion of Senator Belshaw, 1000 copies of the same were ordered printed and the testimony also to be made a portion of the appendix to the bound Journal already provided for.

The Special Committee on Investigation also submitted the following report:

MR. PRESIDENT: Your Special Committee of Investigation appointed January 30, 1905, pursuant to the following resolution—

"WHEREAS, There has been this day filed with the Secretary of the Senate in writing certain charges contained in an affidavit which reflect upon the honor and integrity of

certain members of the Senate, in that it does charge said certain members with corruption, corrupt conduct, and a willful violation of their obligations as members of this body; and,

"WHEREAS, It is fit and proper that the charges be fully investigated by a committee to be appointed by the President of this Senate; therefore, be it

"Resolved, That a special committee of five be appointed by the President of this Senate to investigate all charges and statements contained in said affidavit reflecting upon the honor, integrity, and conduct of the certain members of this Senate with relation to the subject-matter contained in said affidavit; and for that purpose, that the said committee be and it is hereby empowered to issue all necessary subpoenas, to have full power to send for persons, books, and papers, and to compel the attendance of any and all necessary witnesses within this State, and require the production of any and all necessary papers, books, or documents in order that the powers herein given may be fully carried out; and that it shall report the result of its investigation to this Senate at the earliest possible moment."

Begs leave to submit the following report:

Your committee met immediately, and diligently prosecuted an inquiry into the charges made in the affidavit of William Corbin filed in the Senate January 30, 1905, and mentioned in said resolution. Numerous sessions were held and many witnesses were examined, some of whom would not have been material in a court of law, but it was deemed wise by your committee to follow this course for the sake of developing every feature of the subject-matter.

From the evidence before us, after careful deliberation, we respectfully submit the following findings:

First—That the appointment of the Senate Committee on Commissions and Retrenchment, and the placing of Senators Emmons, French, Bunkers, and Wright thereon, came about in the due and ordinary course of Senate organization, and without ulterior motive, particularly as to Hon. Alden Anderson, Lieutenant-Governor, who made such appointments in entire good faith, and uninfluenced by any other motive than a most equitable and economic apportionment of committee work, and the San Francisco "Examiner" had no part in the creation or institution of said committee or the appointment of said Senators thereon.

Second—That no agreement existed whereby Senator Bunkers was to receive a municipal appointment or other preferment if he would do his utmost against the Continental Building and Loan Association.

Third—That the San Francisco "Examiner," through its representatives, actively assisted said committee in preparing for an investigation of the affairs of the Continental Building and Loan Association by advising with Senator French, a member of said committee, as to the witnesses to be subpoenaed, and furnishing an expert to assist in said investigation.

Fourth—That on the 24th day of January, 1905, in the City of Sacramento, Senator E. J. Emmons, a member of this Senate, did receive and accept from one Joseph S. Jordan the sum of three hundred and fifty dollars, in United States currency, upon an understanding that the official action of said Emmons, as such Senator, would be influenced thereby in the manner following, viz: that said Emmons, as such Senator, would favor and protect the interests of the Phoenix Savings Building and Loan Association and The Renters' Building and Loan Association, two corporations whose business methods were then about to be investigated by the Committee on Commissions and Retrenchment.

Fifth—That on the 24th day of January, 1905, in the City of Sacramento, Senator Harry Bunkers, a member of this Senate, did receive and accept from one Joseph S. Jordan the sum of three hundred and fifty dollars, in United States currency, upon an understanding that the official action of said Bunkers, as such Senator, would be influenced thereby in the manner following, viz: that said Bunkers, as such Senator, would favor and protect the interests of the Phoenix Savings Building and Loan Association and The Renters' Building and Loan Association, two corporations whose business methods were then about to be investigated by the Committee on Commissions and Retrenchment.

Sixth—That on the 25th day of January, 1905, in the City of Sacramento, Senator Frank French, a member of this Senate, did receive and accept from one Joseph S. Jordan the sum of three hundred and fifty dollars in United States currency, upon an understanding that the official action of said French, as such Senator, would be influenced thereby in the manner following, viz: that said French, as such Senator, would favor and protect the interests of the Phoenix Savings Building and Loan Association, and The Renters' Building and Loan Association, two corporations whose business methods were then about to be investigated by the Committee on Commissions and Retrenchment.

Seventh—That on the 25th day of January, 1905, in the City of Sacramento, Senator Eli Wright, a member of this Senate, did receive and accept from one Joseph S. Jordan the sum of three hundred and fifty dollars, in United States currency, upon an understanding that the official action of said Wright, as such Senator, would be influenced thereby in the manner following, viz: that said Wright, as such Senator, would favor and protect the interests of the Phoenix Savings Building and Loan Association and The Renters' Building and Loan Association, two corporations whose business methods were then about to be investigated by the Committee on Commissions and Retrenchment.

Eighth—That at the time said moneys were paid to each of the Senators above men-

tioned, Joseph S. Jordan was acting as the agent and representative of Clarence Grange, the Secretary of the Phoenix Savings Building and Loan Association, and the money in each instance was received and accepted by said Senators as bribe money, with the improper and corrupt understanding upon the part of each of said Senators, in consideration of such payments, that his personal and official favor and protection would be accorded to said two corporations in their official investigation before said committee.

Therefore, as a conclusion, your committee is of the opinion that Senators E. J. Emmons, Harry Bunkers, Frank French, and Eli Wright should be expelled from the Senate of the State of California, and so recommends.

Dated Sacramento, February 20, 1905.

Respectfully submitted.

The people of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section five hundred and ninety-seven of the Penal Code is hereby amended to read as follows:

597. Every person who maliciously kills, maims, or wounds any animal, the property of another, or who overdrives, overloads, drives when overloaded, overworks, tortures, torments, deprives of necessary sustenance, drink or shelter, cruelly beats, mutilates, or cruelly kills any animal, or causes or procures any animal to be so overdriven, overloaded, driven when overloaded, overworked, tortured, tormented, deprived of necessary sustenance, drink or shelter, or to be cruelly beaten, mutilated or cruelly killed; and whoever, having the charge or custody of any animal, either as owner or otherwise, subjects any animal to needless suffering, or inflicts unnecessary cruelty upon the same, or in any manner abuses any animal, or fails to provide the same with proper food, drink, shelter, or protection from the weather, or who cruelly drives, rides or otherwise uses the same when unfit for labor, is for every such offense, guilty of a misdemeanor.

SEC. 2. Eleven new sections are hereby added to said code to be numbered and to read as follows:

597a. Whoever carries or causes to be carried in or upon any vehicle or otherwise any domestic animal in a cruel or inhuman manner, or knowingly or willfully authorizes or permits it to be subjected to unnecessary torture, suffering, or cruelty of any kind, is guilty of a misdemeanor; and whenever any such person is taken into custody therefor by any officer, such officer must take charge of such vehicle and its contents, together with the horse or team attached to such vehicle, and deposit the same in some place of custody; and any necessary expense incurred for taking care of and keeping the same, is a lien thereon, to be paid before the same can be lawfully recovered; and if such expense, or any part thereof, remains unpaid, it may be recovered, by the person incurring the same, of the owner of such domestic animal, in an action therefor.

597b. Any person who causes any bull, bear, cock, dog, or other animal to fight for his amusement or for gain, or to worry or injure each other; and any person who permits the same to be done on any premises under his charge or control; and any person who aids, abets, or is present at such fighting or worrying of such animal, as a spectator, is guilty of a misdemeanor.

597c. Whoever owns, possesses, keeps, or trains any bird or animal, with the intent that such bird or animal shall be engaged in an exhibition of fighting, or is present at any place, building, or tenement, where preparations are being made for an exhibition

of the fighting of birds or animals, with the intent to be present at such exhibition, or is present at such exhibition, is guilty of a misdemeanor.

597d. Any sheriff, constable, police, or peace officer, or officer qualified as provided in section six hundred and seven f of the Civil Code, may enter any place, building, or tenement, where there is an exhibition of the fighting of birds or animals, or where preparations are being made for such an exhibition, and, without a warrant, arrest all persons there present.

597e. Any person who impounds, or causes to be impounded in any pound, any domestic animal, must supply the same during such confinement with a sufficient quantity of good and wholesome food and water, and in default thereof, is guilty of a misdemeanor. In case any domestic animal is at any time impounded, as aforesaid, and continues to be without necessary food and water for more than twelve consecutive hours, it is lawful for any person, from time to time, as may be deemed necessary, to enter into and upon any pound in which any such domestic animal is confined, and supply it with necessary food and water so long as it remains so confined. Such person is not liable to any action for such entry, and the reasonable cost of such food and water may be collected by him of the owner of such animal, and such animal is not exempt from levy and sale upon execution issued upon a judgment therefor.

597f. Every owner, driver, or possessor of any animal, who shall permit the same to be in any building, inclosure, lane, street, square, or lot, of any city, city and county, or township, without proper care and attention, shall, on conviction, be deemed guilty of a misdemeanor. And it shall be the duty of any peace officer, or officer of the humane society, to take possession of the animal so abandoned or neglected and care for the same until it is redeemed by the owner or claimant, and the cost of caring for such animal shall be a lien on the same until the charges are paid. Every sick, disabled, infirm, or crippled animal which shall be abandoned in any city, city and county, or township, may, if after due search no owner can be found therefor, be killed by such officer; and it shall be the duty of all peace officers, or an officer of said society, to cause the same to be killed on information of such abandonment. Such officer may likewise take charge of any animal that by reason of lameness, sickness, feebleness, or neglect, is unfit for the labor it is performing, or that in any other manner is being cruelly treated; and, if such animal is not then in the custody of its owner, such officer shall give notice thereof to such owner, if known, and may provide suitable care for such animal until it is deemed to be in a suitable condition to be delivered to such owner, and any necessary expenses which may be incurred for taking care of and keeping the same shall be a lien thereon, to be paid before the same can be legally recovered.

599a. When complaint is made, on oath, to any magistrate authorized to issue warrants in criminal cases, that the complainant believes that any provision of law relating to, or in any way affecting, dumb animals or birds, is being, or is about to be violated in any particular building or place, such magistrate must issue and deliver immediately a warrant directed to any sheriff, constable, police or peace officer, or officer of any incorporated association qualified as provided by law, authorizing him to enter and search such building or place, and to arrest any person there present violating, or attempting to violate, any law relating to, or in any way affecting, dumb animals or birds, and to bring such person before some court or magistrate of competent jurisdiction, within the city, city and county, or township within which such offense has been committed or attempted, to be dealt with according to law, and such attempt must be held to be a violation of Section 597.

599c. No part of this title shall be construed as interfering with any of the laws of this State known as the "game laws," or any laws for or against the destruction of certain birds, nor must this title be construed as interfering with the right to destroy any venomous reptile, or any animal known as dangerous to life, limb, or property, or to interfere with the right to kill all animals used for food, or with properly conducted scientific experiments or investigations performed under the authority of the faculty of a regularly incorporated medical college or university of this State.

599d. Whoever shall cut the solid part of the tail of any horse in the operation known as "docking," or in any other operation performed for the purpose of shortening the tail, and whoever shall cause the same to be done, or assist in doing such cutting, is guilty of a misdemeanor.

599e. Every animal which is unfit, by reason of its physical condition, for the purpose for which such animals are usually employed, and when there is no reasonable probability of such animal ever becoming fit for the purpose for which it is usually employed, shall be by the owner or lawful possessor of the same, deprived of life within twelve hours after being notified by any peace officer, or officer of said society, to kill the same, and such owner, possessor, or person omitting or refusing to comply with the provisions of this section shall, upon conviction, be deemed guilty of a misdemeanor, and after such conviction the court or magistrate having jurisdiction of such offense shall order any peace officer, or officer of said society, to immediately kill such animal;

provided, that this shall not apply to such owner keeping any old or diseased animal belonging to him on his own premises with proper care.

EXECUTIVE DEPARTMENT, STATE OF CALIFORNIA,
SACRAMENTO, February 21, 1905. }

To the Senate of the State of California:

GENTLEMEN: I have the honor respectfully to return to your honorable body, without my approval, Senate Bill No. 146—"An Act regulating the hours of service on regular duty of members of the fire department of cities of the first class, and cities and counties"—for the following reason: It is plainly evident, in my opinion, that matters pertaining to fire departments and the regulation thereof are strictly municipal matters, to be regulated by the charters of the different municipalities. Such charters, in so far as they refer to such municipal affairs, are placed by the State Constitution beyond the control of, or regulation by, legislative enactment. Senate Bill No. 146, therefore, is, in my opinion, unconstitutional, as it plainly falls, in my opinion, within the law as laid down by the Supreme Court in *Popper vs. Broderick*, 123 Cal., p. 456, in which the Court declares void an Act regulating the pay of policemen and firemen and, speaking of the purpose of the constitutional provision, says it is "to prevent the constant tampering with matters which concern only or chiefly the municipality under the guise of laws general in form." And in *Kahn vs. Sutro*, 114 Cal., p. 316, the Court designates officers of fire departments "as peculiarly and distinctively municipal officers."

In my judgment, therefore, this bill, even if placed in the Statute books, would be wholly inoperative and without force or effect.

Very respectfully, your obedient servant,

GEO. C. PARDEE, Governor.

Prior to January 1, 1903, under the regulations of the said Board of Regents, it was provided that all funds except student fees and moneys received on insurance policies in cases of the payment of loss, should be paid directly to the treasurer of said Board of Regents—an officer elected by said board—and that all the payments of student fees, as aforesaid, and moneys received on insurance policies in case of loss, were to be paid to the secretary of said Board of Regents; that the secretary of the said Board of Regents is a statutory office provided for in Section 1449 of the Political Code, which requires the following qualifications, to wit: a practical agriculturist, competent to superintend the working of the agricultural farm and to discharge the duties of secretary of the Board of Regents. That on the 12th day of July, 1898, W. A. McKowen was elected acting secretary of the Board of Regents, and for a year and a half discharged the duties of that office in place of E. W. Davis, the secretary, who was on leave of absence. On the 14th day of April, 1893, McKowen was duly elected secretary of said Board of Regents, and acted as such secretary until on or about the 19th day of December, 1903;

that during the term of office of said McKowen as acting secretary and secretary of said board, contrary to the rules and regulations of the said Board of Regents, the said secretary received various and large sums from persons making donations, which he did not account for, aggregating \$36,171.58, and \$15,307.18 students' fees received in cash, making a total of \$51,478.76.

The report of the finance committee to the Board of Regents, made on the 12th of April, 1904, respecting the defalcation of said secretary, is as follows:

"Your finance committee begs leave to submit the following report of the defalcation of your late secretary, W. A. McKowen. Upon the discovery of his dishonesty in office, and after consultation with President Wheeler, the firm of Knight, McLaren & Goode were employed to expert the books, and the statements as herein made are summarized from the exhaustive reports submitted by that firm. We append the following excerpts from their various statements:

"A. In the late secretary's account no irregularities have come to light as regards disbursements and the whole amount of his shortage represents the misappropriation of moneys received. Up to the present time, we have established beyond question a deficiency of \$51,478.76.

"B. At the beginning of the defalcation the secretary appears to have used the cash which came in by way of students' deposits, holding out, until some time after their receipt, checks which had come into his hands—ultimately depositing them with the treasurer to make up the proper amount of students' deposits and other similar income and crediting them to the account to which they belonged when he had come into possession of other funds.

"C. The system seems to have been that, when the statements rendered monthly by the treasurer were received at the office, then and not until then, the receipts of money during the month were entered in the cash-book.

"These receipts included students' deposits, fees, and money received from other sources which had been paid into the secretary's office at Berkeley and later deposited with the treasurer, but it appears that the late secretary never kept any record of this in permanent form, making his distributions when the treasurer's account came in either from the stubs of receipts or loose memoranda or from memory.

"D. All of the savings banks' deposits, being the investments of certain of the funds, have been found to be intact.

"The total appropriation of moneys received from the Medical Department amounted to \$26,841.12; of this amount \$9,708.38, in form of checks and warrants, was deposited with the treasurer, but credited to other accounts, from which money had been stolen, presumably by deduction from students' deposits.

"The other accounts from which moneys were retained are as follows:

Levi Strauss Scholarships.....	\$1,750 00
--------------------------------	------------

But check was deposited with treasurer as a credit to students' deposits in place of proper account.

"Aside, therefore, from a bookkeeping proposition, it will appear from the foregoing that \$15,307.18 was embezzled from students' fees in cash, and the balance of \$36,171.58 from various donated funds.

"The checks which were cashed by McKowen were made out as follows:

"All checks from the medical department to W. A. McKowen, acting secretary or secretary.

"Warrants on treasurer in favor of medical department, made out to A. A. D'Ancona, and by him endorsed to W. A. McKowen, secretary.

"Checks from P. A. Hearst, made to order of W. A. McKowen, acting secretary or secretary.

"Check from the Alumni Hall Fund made to order of Regents of the University of California, and endorsed by W. A. McKowen, acting secretary. This is the check upon which suit against the First National Bank of Berkeley has been commenced. All other checks from donations were made to W. A. McKowen, secretary.

"It is virtually impossible to fix the beginning of the defalcations, as amounts collected from the students' fees were covered up by receipts from other sources, these being made good from subsequent donations, and in the absence of record of actual time of receipt of moneys no estimate can be made. From the obtainable data it would appear

that in 1901, possibly \$9,940.15 was embezzled; in 1902, \$23,147.18; and in 1903, \$17,891.48; of this \$17,891.48, \$6,792.37 was appropriated subsequent to August, 1903, to and including the date of the discovery of the default.

"All endowments from which funds were misappropriated have been made good upon the books of accounts of the University, by a charge to 'W. A. McKowen, suspense,' of the total amount of defalcation."

The said secretary kept the books of the said Board of Regents, and, so far as the evidence discloses, there was no supervision exercised over the secretary by the Board of Regents or the President of the University with reference to keeping the accounts and the receipts of money collected for the University, except that the said Board of Regents employed Mr. John J. Herr to make an occasional examination of the books. The testimony of Mr. Herr on this subject was that he never examined the books except when asked to do so by the secretary himself; that he was often delayed and put off in the examination by the said secretary, on his excuse that the books were not posted up and ready to be audited. After each examination of the books made by said auditor he gave to the Board of Regents a certificate of his examination, naming therein the books that he examined, which, in all cases, he reported he found correct. The books included all of the books showing the financial transactions of the regents of the University, except, in some cases, the minute book of the regents and the books of the treasurer and the books of the medical department of the University. Auditor Herr made no report of shortage or defalcation by the secretary. It appeared, by the testimony, that in the years 1900, to and including 1903, examinations were made by Auditor Herr as follows:

August 13, 1900, for the year ending June 30, 1900;

March 12, 1901, for July to December 1900, and January, 1901;

September 10, 1901, for the year ending June 30, 1901;

January 18, 1902, for July to December, 1901;

August 13, 1902, for the year ending June 30, 1902;

November 11, 1902, for July, August, and September, 1902;

February 10, 1903, for October, November, and December, 1902.

Thus it will be seen that the books were not audited for the period of one year, extending from December, 1902, to the time of the defalcation in December, 1903. The testimony shows that items appeared in the minute book of the regents, of cash received by the secretary, that were not entered in the cash book in which entry should have been made, notably, in one particular instance, an item of \$500 (being a donation to the University by the Emanu-El Fellowship in Semitic Languages), was given to President Wheeler, and by him reported to the Board of Regents at their following regular meeting. That the said item appeared in the minutes of said board as having been received by President Wheeler, and payment of the same to the secretary; that a proper audit of the books would have disclosed the omission and put the auditor and finance committee of the regents upon investigation of the accounts. Another instance in which the irregularities of the secretary could easily have been discovered is found in a statement received from the treasurer of the regents crediting a donation by Claus Spreckels to the University, amounting to \$11,675.82. The item was erased by a pen mark through it, and changed to read "medical department fees." The changed words were in different handwriting and different colored ink, and, by the testimony of Mr. Herr, proved to be in McKowen's handwriting. This change had the effect of placing \$11,675.82 to the credit of said medical department funds, from which said secretary had been stealing for several months past. In relation to this fund, the secretary's book shows that there was charged up to this fund approximating \$11,000 between the months of January and March, 1903, while there was no money whatever credited to the fund until the said Claus Spreckels warrant was diverted to meet the payment of that fund.

The above irregularities are so glaring that the auditor should have discovered the same, and, even had the regents examined the books, the irregularities would have been readily discovered.

It further appeared from the evidence that the Board of Regents had fixed the amount of the bond of the secretary at only \$5,000 as security against defalcation, but that the Board of Regents had even allowed this bond to expire on or about the 1st of July, 1903, without renewal of the same; the defalcation of the secretary was discovered in December of that year; in other words, that the secretary was without bond for about six months. We further find that upon the discovery of the defalcation, the Board of Regents recovered from said McKowen certain real and personal property of doubtful value, but said to approximate \$5,000; that the Pacific Surety Company, who bonded said secretary, has refused to pay the amount of said bond, alleging that it is exonerated by breach of the conditions of said bond.

It appears, further, that in auditing the accounts of the University, neither the auditor nor the regents of the University made any examination, and have not, to this day, caused an audit or examination to be made of the treasurer's books or the books of the medical department. It appears that it has been and is now the custom for the treasurer to furnish a monthly statement of moneys received by him, and that the said secretary, McKowen, used this statement from which to post his books.

Your committee further find that the finance committee of the Board of Regents, since 1900, gave no time at all to a personal examination of the accounts or personal supervision of the books; that they gave no instructions whatever to said auditor as to the manner, or how the books should be audited, and took no steps to ascertain whether or not the system of keeping the accounts was efficient for the purpose.

The committee further finds that immediately after the said defalcation was discov-

ered, the said Board of Regents employed the firm of Knight, McLaren & Goode, expert bookkeepers, to devise a better system of keeping the accounts of said University; that the system recommended by said experts is a great improvement upon the former system in use at said institution, but that the same is still incomplete, in that the said expert system does not provide for duplicate or triplicate receipts, or, in fact, any system of giving receipts by the treasurer or medical department, which, in the opinion of the committee, is essential to keep a proper check on the receipts of said institution.

The committee further finds that although more than one year has expired since the dismissal of said Secretary McKowen, the said Board of Regents have failed to fill said position of secretary, and said office is now vacant; that the duties are at present performed by a person designated as "acting secretary," which is not a statutory office and not provided for by any permanent rules or regulations of the Board of Regents.

THE TURNER MORTGAGE.

It appears from the evidence that the University is now involved in litigation to recover a loan made by it on what is commonly known as the "Turner mortgage," involving between \$40,000 and \$50,000. It can not be stated at this time whether there will be a total loss in this matter or not. The litigation is the result of negligence on the part of the former attorney of the University.

CONTRACTS.

A number of complaints were made to the committee that in the construction of California Hall (built by appropriations made by the State of California) the cement and other material was imported at a price far in excess of the California product, and is in no way superior to home products. No evidence, however, was taken of these matters, as the same were beyond the scope of authority of this committee.

Wherefore, your committee respectfully recommend:

First—That the Board of Regents immediately provide a system for examination and auditing of the books of the treasurer and medical department of the University, and provide for a system of triplicate receipts, to be given by the treasurer and persons receiving fees for medical department, and for any other officer or department of the University receiving money for the said institution, similar to the plan now adopted for the secretary, and that the books relating to fiscal transactions be expeted at least semi-annually.

Second—Your committee, while fully appreciating the fact that the regents of the University are serving the State without pay, and purely out of a feeling of patriotic duty to the University, yet recognize that, in doing so, the regents have assumed an important trust—one that when once undertaken should be executed with care and diligence. The loss sustained being one that could have been avoided by the ordinary care and diligence that the regents would have exercised in their own business, leads the committee to the conclusion that the regents are under obligation to reimburse the funds of the University to the full extent of the defalcation by McKowen.

We therefore recommend that proper proceedings be taken to obtain reimbursement of the said losses.

Third—Your committee further recommends that the regents should use in the construction and furnishing of all buildings the exclusive products of the State of California in all cases where the same is available and meets the test required by builders and architects of the same character of building in private work, where the cost is not greater than the foreign article.

Respectfully submitted,

CARTER, Chairman.

COMMITTEE SUBSTITUTE FOR SENATE BILL NO. 181.

An Act to provide for the formation, organization, and classification of new counties, for locating the county seats, for the election and appointment of officers and for the adjustment and fulfillment of the rights and obligations arising between such new counties and other counties.

The people of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. New counties may, from time to time, be formed and created in this State from portions of one or more counties already in existence, in the manner set forth in this Act; *provided, however,* that no new counties shall be established which shall reduce any county to a population of less than eight thousand, nor shall any new county be formed containing a less population than five thousand, nor shall any line thereof pass within five miles of the county seat of any county proposed to be divided. Every county which shall be enlarged or created from territory taken from any other county or counties shall be liable for a just proportion of the existing debts and liabilities of the county or counties from which such territory shall be taken, to be determined as hereinafter provided.

SEC. 2. Whenever it is desired to divide any county or counties then existing, and form a new county out of a portion of the territory of such county or counties, a petition shall be presented to the board of supervisors of the county from which said new county is to be formed, in case said county is to be formed from but one county, or to the board of supervisors of the county from which the largest amount of territory is proposed to be taken for the formation of such new county in case said new county is to be formed from portions of two or more existing counties. Such petition shall be signed by at least one sixth of the qualified electors of the county, or each of the counties proposed to be divided, whose names appear on the great register or registers used at the general election held therein last preceding the presentation of said petition to the board of supervisors as herein provided; such signatures need not all be appended to one paper, but may be signed to several petitions which must be identical in form, and when so signed the several petitions may be fastened together and shall be treated and presented as one petition. Such petition shall contain:

A particular description of the boundaries of the proposed county to be formed; and a statement that no line thereof passes within five miles of the county seat of any county proposed to be divided;

A statement of the population in such proposed county, as nearly as may be;

A statement of the population remaining in the county or each of the counties from which such new county is to be established, as near as may be;

The assessed value of the property in such proposed county, as shown by the last assessment roll;

The name of the proposed county;

A prayer that such proposed county be organized into a new county under the provisions of this Act.

There shall be attached to and filed with said petition the affidavit of three qualified electors and taxpayers within each county sought to be divided to the effect that they have read said petition and examined the signatures affixed thereto, and they believe that the statements therein are true, and that it is signed by at least one sixth of the qualified electors of each county sought to be divided; that the signatures affixed thereto are genuine and that each of such persons so signing was a qualified elector of such county thereto sought to be divided, at the date of such signing.

Such petition so verified and the verification thereof shall be accepted in all proceedings permitted or provided for in this Act, as prima facie evidence of the truth of the matters and facts therein set forth.

Upon the receipt of such petition and affidavit the said board of supervisors shall forthwith fix a date to hear the proofs of the said petitioners and of any opponents thereto, which date must not be less than twenty nor more than twenty-five days subsequent to the receipt of such petition by said board.

Said board of supervisors shall also at the same time designate a newspaper of general circulation published in the old county or each of the old counties, but not within the proposed county, and also a newspaper of general circulation published within the boundaries of the proposed new county, if there be such, in which the said board shall order and cause to be published at least once a week for two weeks next preceding the date fixed for such hearing, a notice in substantially the following form:

NOTICE.

Notice is hereby given that a petition has been presented to the board of supervisors of county (naming the county represented by the board of supervisors with which said petition was filed), praying for the formation of a new county out of a portion of the said county and county (naming the county or counties out of which it is proposed to form the new county), and that said petition will be heard by the said board of supervisors at its place of meeting (designating the city or town and the day and hour of the meeting so to be held), when and where all persons interested therein may appear and oppose the granting of said petition and make any objection thereto.

Dated

By order of the board of supervisors of

..... county.

By Chairman.

Attest County Clerk.

Said petitioners shall on or before the date fixed for said hearing, or on or before the date to which said hearing may have been adjourned, file with said board of supervisors a bond to be approved by said board, in such amount as the said board shall designate, but not exceeding five thousand dollars, payable to the county in which said petition is filed, conditioned that the obligors named in said bond will pay to said county all expenses incurred in the proceedings and election provided for in this Act, not exceeding the amount specified in said bond, in the event that at the election herein provided for more than forty per cent of the votes cast at said election are "For the new county of No."

At the time so fixed for said hearing the board of supervisors shall proceed to hear the petitioners and any opponents, and may adjourn such hearing from time to time, not exceeding fourteen days in all, and shall receive the proofs offered to establish or controvert the facts set forth in said petition, and on the final hearing of such petition said board shall by resolution entered on its minutes determine:

1st. The boundaries of the proposed new county, which boundaries shall conform to the boundary lines designated in said petition, and the boundaries so determined by said board of supervisors shall be the boundaries of such proposed new county, if it be created as herein provided.

2d. Whether the said petition contains the genuine signatures of at least one sixth of the qualified voters of each county sought to be divided as herein required.

3d. Whether the establishing of the proposed new county will reduce the population of any county proposed to be divided to less than eight thousand.

4th. Whether the proposed new county will contain a population of at least five thousand.

5th. Whether any line of the proposed new county passes within five miles of the county seat of any county proposed to be divided.

6th. The class of counties to which said proposed new county after its creation, shall belong, and the name of said proposed new county as herein provided.

In determining the population of the proposed new county and the population remaining in any county proposed to be divided, after such division, the board of supervisors shall assume that such population is five times the number of names of electors recorded on the great register used at the last general election held in each of the counties proposed to be divided, as residents in the territory of which the population is required to be determined.

SEC. 3. If said board of supervisors determined that the formation of such proposed county will reduce the population of the remainder of any county to less than eight thousand, or that the proposed county contains a less population than five thousand,

or that any line of said proposed county passes within five miles of the county seat of any county proposed to be divided, or that said petition does not contain the genuine signatures of at least one sixth of the qualified electors of each county sought to be divided as herein provided, it shall pass a resolution in accordance with such determination, and thereupon no further proceedings in relation to the division of said county or counties shall be had on said petition, nor shall other proceedings be had in relation to the division of such county or counties for at least six months thereafter.

If the said board of supervisors determines that the formation of said proposed new county will not reduce the population of any county proposed to be divided to less than 8000, and that the proposed new county contains a population of at least 6000, and that no line of said proposed new county passes within five miles of the county seat of any county proposed to be divided, and that said petition contains the genuine signatures of at least one sixth of the electors of each county sought to be divided as herein required, then said board of supervisors shall divide the proposed new county into a convenient number of judicial townships, road and school districts and define their boundaries and designate the names of such districts, and each of them; they shall also divide the proposed new county into five supervisorial districts to contain as nearly as practicable an equal population, and number in said districts; they shall also, if necessary for the purpose of the election hereinafter provided for, change the boundaries of the election precincts in said old county or counties to make the same conform to the boundaries of the proposed new county.

So soon as the board of supervisors shall have divided the counties affected as last hereinbefore in this section provided, but not longer than two weeks after its determination of the truth of the allegations of said petition as aforesaid, the said board of supervisors shall order, and give proclamation and notice of, an election to be held on a specified day in the territory which is proposed to be taken for the new county, not less than twenty-five nor more than forty days thereafter, for the purpose of determining whether such territory shall be established and organized into a new county, and for the election of officers and locating of a county seat therefor in case the vote at such election shall be in favor of the establishment and organization of such new county.

All electors resident within the proposed new county and who are electors of the county or counties proposed to be divided, and who have been such for ten days prior to said election, shall be entitled to vote at said election.

Such proclamation and notice of election shall be published at least once a week for three weeks before holding of such election, in some newspaper of general circulation, published in the territory which is proposed to be taken for the new county, and a copy thereof shall be mailed immediately by the county clerk of the county in which the petition is filed to the county clerk of each county from which territory is taken for the proposed new county. Such proclamation and notice shall require the voters to cast ballots which shall contain the words "For the new county of (giving the name of the proposed new county) Yes," and "For the new county of (giving the name of the proposed new county) No," and each voter desiring to vote for the establishment and organization of said new county shall stamp a cross (X) opposite the words "For the new county of _____ Yes," in the manner now required by law in other elections, and each voter desiring to vote against the establishment and organization of said new county shall mark a cross (X) opposite the words "For the new county of _____ No," in the manner now required by law in other elections; and shall also contain the names of persons to be voted for to fill the various elective offices designated in said proclamation for counties of the class to which said proposed county will belong, as determined by the board of supervisors as herein directed and in the manner provided by law, except as herein otherwise provided, and also shall have printed thereon the words "For county seat" with a blank space left below said words and the voter shall write his choice for county seat in said space and the name so written shall be counted as the choice of the voter for such county seat, whether a cross (X) shall be marked after said name or not, or whether said name be written in ink or pencil.

The proclamation calling the election and the notice thereof provided for in this Act shall be made and given exclusively by the board of supervisors with which is filed the said petition for the formation and establishment of such new county.

The county clerk of each county from which territory is taken for the proposed new county shall furnish to each board of election within said proposed new county the book of affidavits of registration for the precincts of such proposed new county, as are within their respective counties, and the copies of indexes thereof required by law, containing the names of all persons who were qualified electors therein, within ten days before the date of such election. All returns of election herein provided for shall be made to the board of supervisors calling such election.

All certificates of nomination of candidates for the offices required to be filled at said election shall be filed with the county clerk of the county represented by the board of supervisors calling said election, not less than ten days next before the date of such election.

The provision of the election laws relating to preparation, printing and distribution of sample ballots, and the provisions of said laws relating to primary elections in this State, shall have no application to any election provided for in this act.

Sec. 4. If upon the canvass of the votes cast at such election it appears that sixty per cent of the votes cast are "For the new county of _____ Yes," the board of supervisors shall by a resolution entered upon its minutes declare such territory duly formed and created as a county of this State, of the class to which the same shall belong, under

the name and style _____ county (naming it), and that the place receiving the highest number of votes cast at said election (naming it) shall be the county seat of said county until removed in the manner provided by law, and designating and declaring the persons receiving respectively the highest number of votes for the several offices to be filled at said election, to be duly elected to such offices, and prescribing the amount in which such officers must execute official bonds, where official bonds are required by law. Said board shall forthwith cause a copy of its said resolution, duly certified, to be filed in the office of the Secretary of State, and from and after the date of such filing said new county shall be deemed to be fully created, and the organization thereof shall be deemed completed and such officers shall be entitled to enter immediately upon the duties of their respective offices upon qualifying in accordance with law and giving bonds for the faithful performance of their duties, as herein required. The clerk of the board of supervisors with which said petition was filed, as herein provided, must immediately make out and deliver to each of said persons so declared and designated to be elected, a certificate of election authenticated by his signature and the seal of said board of supervisors. All the officers elected at said election or appointed under this Act shall hold their offices until the time provided by general law for the election and qualification of such officers in this State, and until their successors are elected and qualified.

If, however, upon such canvass it appears that more than forty per cent of the votes cast at said election are "For the new county of _____ No," the said board of supervisors shall pass a resolution in accordance therewith, and thereupon the proceedings relating to the division of such county or counties shall cease and determine and no other proceedings in relation to the division of said county or counties shall be instituted for at least one year after such determination.

Sec. 5. At the election provided for in section three of this Act there shall be chosen one judge of the superior court of said new county, whose salary shall be \$3,000 per annum, payable at the same time and in the same manner as salaries of the judges of the superior court of the several counties of the State are paid; also such other State, county, township, and district officers as are now or may hereafter by general law be provided for in counties of the class to which said new county is determined to belong as herein provided; *provided, however*, that all duly elected, qualified and acting supervisors residing within the proposed new county at the time of the division of such county into supervisorial districts as hereinbefore in Section 3 hereof provided, shall hold office of supervisors in said new county for the remainder of the term for which they were elected on qualifying as supervisors for the respective districts in which they reside, as said districts are organized as provided in this Act.

Provided, also, that all duly elected, qualified, and acting justices of the peace and constables residing within the proposed new county at the time of the division of such county into judicial townships as hereinbefore in Section 3 hereof provided, shall hold office as such justices of the peace or constables in said county for the remainder of the term for which they were elected on qualifying as justices of the peace or constables for the respective townships in which they reside, as said townships are organized as provided in this Act; *also provided*, that all duly elected, qualified, and acting school trustees residing within the proposed new county at the time of the division of such county into school districts as hereinbefore in Section 3 hereof provided, shall hold office as school trustees in said new county for the remainder of the term for which they were elected on qualifying as school trustees for the respective districts in which they reside, as said districts are organized as provided by this Act.

Each person elected or appointed to fill an office of such new county under the provisions of this Act shall qualify in the manner provided by law for such officers, except as herein otherwise provided, and shall enter upon the discharge of the duties of his office within twenty days after the receipt of the certificate of his election. Each of such officers may take the oath of office before any officer authorized by the law of the State of California to administer oaths, and the bond of any officer from which a bond is required shall be approved by any judge of the superior court of any county from which territory was taken to form such new county. The officers elected or appointed under the provisions of this Act shall each perform the duties and receive the compensation now provided by general law for the office to which he has been appointed or elected in counties of the class to which such new county shall have been determined to belong, as herein provided under the general classification of counties in this State.

Sec. 6. If by reason of the provisions of Section 5 of this Act, any vacancies in the offices of supervisors, justices of the peace, constables or school trustees are created in the old county or counties, the vacancies shall be filled, as is now provided by general laws, for the unexpired terms of such officers respectively; and the board of supervisors of such old county shall redistrict the territory remaining therein into supervisorial districts and in any of such districts in which none of the remaining supervisors reside the office of supervisor shall be deemed to be vacant and supervisors for such districts shall be appointed as by general law provided.

Sec. 7. It shall be the duty of the persons so elected to the office of supervisors of said new county to meet at the county seat thereof within five days after all of them shall have qualified, and upon organization of said board of supervisors, it shall notify the Governor of the State of the organization of said county, and thereupon it shall be the duty of the Governor to appoint three persons, one of whom shall be a resident and taxpayer within the new county, and no two of them shall be from any one county; the three persons so appointed shall form and be a board of commissioners. Such commissioners shall within ten days after the notice of their appointment, meet at the

county seat of the new county and organize by electing from their number a chairman, and also elect a secretary who must not be a member of said commission. Thereafter such commission may meet at such place or places as it may select. A majority of said commissioners shall constitute a quorum for the transaction of business. Said commission shall have power to compel by citation or subpoena, signed by their president and secretary, the attendance of such persons and the production of such books and papers before said commission as may be required in the performance of the duties imposed by this Act, except the official records of any county or counties from which said new county was formed. It shall be the duty of the sheriff of any county to execute in his county all lawful orders and citations of the said commission; and for any services so performed the sheriff shall be allowed the same fees as are allowed to him for services in civil actions, and all witnesses attending before said commission shall be entitled to the same compensation and mileage as is allowed to witnesses in civil actions; *provided*, that no witness shall be excused from attendance at the time and place mentioned in said order or citation by reason of the failure of the officer making such service to tender to such witness his fees and mileage in advance.

Sec. 8. Said board of commissioners shall immediately after its organization ascertain the costs of the election held hereunder and apportion the same equally between each of the counties from which territory was taken to form such new county, and said new county, and shall also ascertain the indebtedness of each county from which territory was taken to form the new county, as the same existed at the time when the result of the election thereon was declared by the board of supervisors as hereinbefore provided, and also the total value of all property at that time belonging to each of said counties from which territory was taken, and situate within the limits of said old counties respectively. It shall also ascertain the assessed value of all property in each of the counties from which territory was so taken, according to the last-completed assessment made for said county, and also the assessed value, under the same assessment, of all property within the territory of the new county which shall have been taken from the county of which said new county was formed. They shall then find the difference between the amount of the indebtedness of the old county and the value of the property belonging to the old county at the date of the declaration of the result of said election as hereinbefore provided, and if such indebtedness exceeds the value of such property belonging to the old county, the new county shall pay to the old county a due proportion thereof, to be determined as follows: As said assessed value of the property in the old county is to the said assessed value of the property in the territory provided by this Act to be incorporated within the new county from said old county, so is the amount of said excess to the amount to be paid by said new county to said old county. Said board of commissioners shall certify forthwith to the boards of supervisors of the new county and the old counties thereby affected, the amount constituting the due proportion of said excess payable by such new county to each of them; also the value of any property belonging to each old county at the time when said division took effect as hereinbefore provided, which is situated in the new county. The sum of said ascertained value of said last mentioned property added to the ascertained proportion of said excess which the new county is to pay to the old county, and its proportion of the expense of said election as aforesaid, shall be an indebtedness from the new county to the old county, and the said property situated as aforesaid in the new county, shall upon settlement therefor, as provided in this Act, become the property of the new county, and the old county shall pay the entire indebtedness against it, and the expense of said election shall be paid by the county calling such election, and any other county affected thereby shall pay its proportion thereof as hereinbefore provided.

In case said board of commissioners shall find that the value of the property belonging to the old county, at the time the division thereof takes effect, as herein provided, exceeds the indebtedness of said old county, the excess shall be apportioned between said old county and the new county in the proportion aforesaid, and if the portion of said excess payable to the new county does not exceed the value of said property belonging to the old county and situate in the new county, said portion of said excess shall be deducted from the value of said property situate in the new county as last aforesaid, and the balance after deducting said portion of such excess shall be certified as aforesaid to the said board of supervisors together with the portion of the expense of such election apportioned to such new county, and shall be an indebtedness from the new county to the old county, but if said portion of such excess is greater than the value of said property situate in the new county as aforesaid and belonging to the old county, the value of said property last aforesaid shall be deducted from said portion of such excess and the balance shall be certified as aforesaid to the said board of supervisors, and shall be an indebtedness from the old county to the new county, after deducting the portion of the expense of such election apportioned to such new county and payable to such old county, and the old county shall pay the same. The proceedings in this section required to be taken in the ascertainment and adjustment of property rights and debts shall be had and taken as between said new county and each of the counties from which territory is taken to form said new county in the manner and at the ratio in said section provided. If upon the settlement between the old and the new county as herein provided for, the new county shall be found to be indebted to the old county or either of the old counties, the money necessary to pay said indebtedness shall be raised by a tax levied upon the property contained in said new county and said new county shall pay the same; *provided, however*, that such payment by said new county may be made in not more than three equal annual payments, or by funds to be derived from the sale

of bonds of said new county, as may be determined by a resolution of the board of supervisors of said new county adopted within one year after the receipt of the statement from the board of commissioners as aforesaid of the amount or amounts due from it.

SEC. 9. Members of the board of commissioners provided for under this Act shall receive a compensation of not to exceed \$8 per day for every day they are actually employed under the provisions of this Act, together with their actual expenses incurred in the performance of their duties, and the clerk of said board shall receive as compensation for his services not to exceed \$5 per day for every day that he is actually employed under the provisions of this Act, all of which expenses, together with the reasonable expenses of stationery, postage, and incidental expenses shall be borne in equal proportions by the counties affected by such division, including said new county, and the amounts payable by each county shall be paid by the treasurers of the respective counties after the same shall have been presented to and allowed by the board of supervisors as is provided by law for claims against any county.

SEC. 10. After the creation of a new county as herein provided, its officers shall proceed to complete all proceedings necessary for the assessment or collection of the State and county taxes for the then current year, and all acts and steps theretofore taken by the officers of the old county or counties prior to the creation of the new county shall be deemed and taken as having been performed by the officers of the new county for the benefit of the new county; and upon the creation of the new county it shall be the duty of the officers of the old county or counties to immediately execute and deliver to the board of supervisors of such new county copies of all assessments or other proceedings relative to the assessment and collection of the current State and county taxes of property in such new county. Such copies shall be filed with the respective officers of the new county who would have the custody of the same if the proceeding had been originally had in the new county, and such certified copies shall be taken and deemed as originals, and original proceedings in the new county, and all proceedings therein recited shall be taken and deemed as original proceedings in the new county, and shall have the same effect as if the proceedings therein stated had been had at the proper time and in the proper manner by the respective officials of the new county, and the officials of the new county are hereby authorized and directed to proceed thenceforth with the assessment and collection of said taxes as if the proceedings originally had in the old county or counties had been originally had in the new county.

SEC. 11. The superintendent of public schools of the old county or each of the old counties respectively shall furnish the superintendent of public schools of the new county with a certified copy of the last school census of the different school districts in the territory set apart to form the new county, and draw his warrant on the treasurer of his old county, or each of the old counties respectively, in favor of the superintendent of schools in the new county, for all the money that is or may be due by any apportionment or otherwise to the different districts embraced in the new county, out of his county, and the auditor of each old county shall in like manner, respectively, draw his warrant on the treasurer of his county in favor of the auditor of the new county for all money that is or may be due by apportionment or otherwise to the different road and supervisorial or district funds, in the territory set apart to form the new county, out of his county, which said amounts shall be properly credited in both counties. And whenever in the formation of a new county, a road, supervisorial or school district has been divided, the board of supervisors shall by resolution direct the treasurer to transfer the proper proportionate amount of the money remaining in the fund of such district to the treasurer of the new county.

SEC. 12. The board of supervisors of any new county formed as aforesaid must provide suitable books and have transcribed from the records of the old county or counties all such parts thereof as relate to or affect property or the title thereof situate in the new county, and said records when so transcribed and certified as herein provided shall have the same force and effect as such original records; and the compensation for said services shall be fixed and allowed by the board of supervisors of such new county at not to exceed fifteen cents per folio for transcribing. The recorder of the old county or counties shall compare the books of such transcripts, and attach to each volume a certificate under his seal of office of the correctness of the records therein copied, for which service of comparing he shall be entitled to charge not to exceed two cents per folio, and for each certificate the sum not to exceed fifty cents.

SEC. 13. All actions pending in the superior court of the old county or counties for the recovery of the possession of, quieting the title to, or for the enforcement of liens upon, real estate lying in the new county shall on motion of any party thereto be transferred to the superior court of the new county, and thereafter shall be subject to the same laws as if said action had been originally brought in the superior court of the new county. All other actions or special proceeding pending in the superior court or courts of said old county or counties, which might have been commenced in said new county if said new county had been in existence at the date of the commencing thereof, may in the discretion of the court in which it is pending and on motion of any party interested therein, be transferred to the superior court of such new county.

SEC. 14. Wherever in this Act publication of any notice is provided for and no newspaper of general circulation is published within the territory in which said notice is required to be published, notice shall be given by posting copies of such notice in at least ten public places in such territory for the same length of time said notice was required to be published.

SEC. 15. The territory within the limits of any new county until otherwise provided by law shall constitute and continue a part of the Assembly and Senatorial districts to which the same belonged prior to such county division.

SEC. 16. The notaries public of the old county who are residents of the territory embraced in the new county at the date of its creation shall hold their offices until the expiration of their terms and shall be recommissioned as notaries public in and for the new county until the expiration of their terms, and the Governor shall from time to time appoint such additional notaries public for the new county as he may deem requisite.

SEC. 17. Any member of any board of supervisors or any other officer who violates any of the provisions of this Act, or fails to perform any duty imposed upon him hereunder, shall be guilty of a misdemeanor and of malfeasance in office and be deprived of his office by the decree of a court of competent jurisdiction after trial and conviction.

Within ten days from the date of filing such petition, the City Clerk shall examine and from the great register ascertain whether or not said petition is signed by the requisite number of qualified electors, and if necessary, the board shall allow him extra help for that purpose, and he shall attach to said petition his certificate showing the result of said examination. If, by the Clerk's certificate, the petition is shown to be insufficient, it may be amended within ten days from the date of said certificate. If the petition shall be found to be sufficient, the clerk shall submit the same to the board without delay. If the petition shall be found to be sufficient, the Board of Trustees shall order, and fix a date for holding, the said election, not less than thirty days nor more than forty days from the date of the Clerk's certificate to the board that a sufficient petition is filed.

The successor of any officer so removed shall hold office during the unexpired term of his predecessor. Any person sought to be removed may be a candidate to succeed himself, and unless he requests otherwise, in writing, the Clerk shall place his name on the official ballot without nomination. In any such removal election, the candidate receiving the highest number of votes shall be declared elected. At such election, if some other person than the incumbent receive the highest number of votes, the incumbent shall thereupon be deemed removed from the office upon qualification of his successor. In case the party who receives the highest number of votes should fail to qualify within ten days after receiving notification of election, the office shall be deemed vacant. If the incumbent receives the highest number of votes, he shall continue in office.

That Section 205 of said charter be amended to read as follows:

Section 205. The provisions of all general laws governing elections for state,

SACRAMENTO, February 23, 1905.

To the Senate of the State of California:

GENTLEMEN: I have the honor respectfully to return herewith Senate Bill No. 270—"An Act to amend Sections 2, 3, 5, 7, 10, 11, 12, and 13, to repeal Section 16, to renumber Section 17 so as to read Section 16, of an Act entitled 'An Act to accept from the Veterans' Home Association the conveyance of, and to vest the title in the State of California to, the tract of land in Napa County known as the Veterans' Home, with the improvements and furnishings thereon, to make the same a State home for United States soldiers, sailors, and marines, and to provide for the government thereof by the State,' approved March 11, 1897,"—without my approval, for the following reasons:

It has been, and still is, the policy of the State, in its different public institutions, to purchase supplies as provided by law, by the awarding of contracts therefor to the lowest bidder, after competitive bidding. It is so firmly ingrafted in the law and policy of the State that the Attorney-General has advised that contracts must be awarded to the lowest bidder under all except the most extraordinary circumstances; and that, if, for any reason, it is thought best not to award a contract to the lowest bidder, it is necessary to reject all bids, and advertise again therefor.

Senate Bill No. 270, however, provides that the board "may reject all such bids and purchase said supplies in open market after securing at least two competitive oral bids, to last only until the next annual awards are made."

This is, in my opinion, a radical departure from the present policy of the State in such matters. It would establish a precedent which might lead to bad results. It is true that the present system is cumbersome and inconvenient. But it is the policy of the State; and, in my opinion, should be followed in all cases so long as it be the State's policy. In other respects the present bill is unobjectionable, and, indeed, it appears to me that it would be highly desirable to have some of its provisions enacted into law. But it would be very injudicious to approve the measure while there is embodied in it the above-mentioned clauses in regard to contracts for supplies.

I, therefore, return Senate Bill No. 270 without my signature or approval.

Very respectfully,

GEO. C. PARDEE, Governor.

The question being, "Shall the bill become a law notwithstanding the Governor's veto?"

The roll was called, and the Governor's veto to Senate Bill No. 270 sustained by the following vote:

Ayes—None.

Noes—Senators Anderson, Belshaw, Broughton, Coggins, Haskins, Keane, Lukens, Markey, Mattos, McKee, Muentner, Nelson, Rowell, Rush, Savage, Selvage, Shortridge, Simpson, Ward, Woodward, and Wright—21.

CONSIDERATION OF SPECIAL ORDER.

The hour having arrived for the consideration of the special order heretofore set, being the consideration of the report of the special committee on investigation of certain bribery charges, the same was taken up.

The Secretary was directed to read the report, as follows:

MR. PRESIDENT: Your Special Committee of Investigation appointed January 30, 1905, pursuant to the following resolution—

"WHEREAS, There has been this day filed with the Secretary of the Senate in writing certain charges contained in an affidavit which reflect upon the honor and integrity of certain members of the Senate, in that it does charge said certain members with corruption, corrupt conduct, and a willful violation of their obligations as members of this body; and,

"WHEREAS, It is fit and proper that the charges be fully investigated by a committee to be appointed by the President of this Senate; therefore, be it

"Resolved, That a special committee of five be appointed by the President of this Senate to investigate all charges and statements contained in said affidavit reflecting upon the honor, integrity, and conduct of the certain members of this Senate with relation to the subject-matter contained in said affidavit; and for that purpose, that the said committee be and it is hereby empowered to issue all necessary subpoenas, to have full power to send for persons, books, and papers, and to compel the attendance of any and all necessary witnesses within this State, and require the production of any and all necessary papers, books, or documents in order that the powers herein given may be fully carried out; and that it shall report the result of its investigation to this Senate at the earliest possible moment."

Begs leave to submit the following report: Your committee met immediately, and diligently prosecuted an inquiry into the charges made in the affidavit of William Corbin, filed in the Senate, January 30, 1905, and mentioned in said resolution. Numerous sessions were held, and many witnesses were examined, some of whom would not have been material in a court of law, but it was deemed wise by your committee to follow this course for the sake of developing every feature of the subject-matter.

From the evidence before us, after deliberate deliberation, we respectfully submit the following findings:

First—That the appointment of the Senate Committee on Commissions and Retrenchment, and the placing of Senators Emmons, French, Bunkers, and Wright thereon, came about in the due and ordinary course of Senate organization, and without ulterior motive, particularly as to Hon. Alden Anderson, Lieutenant-Governor, who made such appointments in entire good faith, and uninfluenced by any other motive than a most equitable and economic apportionment of committee work, and the San Francisco "Examiner" had no part in the creation or institution of said committee or the appointment of said Senators thereon.

Second—That no agreement existed whereby Senator Bunkers was to receive a municipal appointment or other preferment if he would do his utmost against the Continental Building and Loan Association.

Third—That the San Francisco "Examiner," through its representatives, actively assisted said committee in preparing for an investigation of the affairs of the Continental Building and Loan Association by advising with Senator French, a member of said committee, as to the witnesses to be subpoenaed, and furnishing an expert to assist in said investigation.

Fourth—That on the 24th day of January, 1905, in the City of Sacramento, Senator E. J. Emmons, a member of this Senate, did receive and accept from one Joseph S. Jordan the sum of three hundred and fifty dollars, in United States currency, upon an understanding that the official action of said Emmons, as such Senator, would be influenced thereby in the manner following, viz: that said Emmons, as such Senator, would favor and protect the interests of the Phoenix Savings Building and Loan Association and The Renters' Building and Loan Association, two corporations whose business methods were then about to be investigated by the Committee on Commissions and Retrenchment.

Fifth—That on the 24th day of January, 1905, in the City of Sacramento, Senator Harry Bunkers, a member of this Senate, did receive and accept from one Joseph S. Jordan the sum of three hundred and fifty dollars, in United States currency, upon an understanding that the official action of said Bunkers, as such Senator, would be influenced thereby in the manner following, viz: that said Bunkers, as such Senator, would favor and protect the interests of the Phoenix Savings Building and Loan Association and The Renters' Building and Loan Association, two corporations whose business methods were then about to be investigated by the Committee on Commissions and Retrenchment.

Sixth—That on the 25th day of January, 1905, in the City of Sacramento, Senator Frank French, a member of this Senate, did receive and accept from one Joseph S. Jordan

the sum of three hundred and fifty dollars in United States currency, upon an understanding that the official action of said French, as such Senator, would be influenced thereby in the manner following, viz: that said French, as such Senator, would favor and protect the interests of the Phoenix Savings Building and Loan Association, and The Renters' Building and Loan Association, two corporations whose business methods were then about to be investigated by the Committee on Commissions and Retrenchment.

Seventh—That on the 25th day of January, 1905, in the City of Sacramento, Senator Eli Wright, a member of this Senate, did receive and accept from one Joseph S. Jordan the sum of three hundred and fifty dollars, in United States currency, upon an understanding that the official action of said Wright, as such Senator, would be influenced thereby in the manner following, viz: that said Wright, as such Senator, would favor and protect the interests of the Phoenix Savings Building and Loan Association and The Renters' Building and Loan Association, two corporations whose business methods were then about to be investigated by the Committee on Commissions and Retrenchment.

Eighth—That at the time said moneys were paid to each of the Senators above mentioned, Joseph S. Jordan was acting as the agent and representative of Clarence Grange, the Secretary of the Phoenix Savings Building and Loan Association, and the money in each instance was received and accepted by said Senators as bribe money, with the improper and corrupt understanding upon the part of each of said Senators, in consideration of such payments, that his personal and official favor and protection would be accorded to said two corporations in their official investigation before said committee.

Therefore, as a conclusion, your committee is of the opinion that Senators E. J. Emmons, Harry Bunkers, Frank French, and Eli Wright should be expelled from the Senate of the State of California, and so recommends.

Dated Sacramento, February 20, 1906.

Respectfully submitted.
